COMMON ENTRANCE (CE) 13+ SUBJECT GUIDE FOR FAMILIES: ENGLISH

CE 13+ exams are taken by pupils as part of their entrance applications to select independent schools. In 2022, only Year 8 English is one of the compulsory core subjects assessed in CE 13+ exams, along with Maths and Science.

This guide provides an overview of the CE 13+ English exam structure, what knowledge and skills are assessed, and what your child can expect from each paper. It also contains tips and hints for writing your papers in written English at home, and how to become used to writing your name throughout your admissions journey. Let's get started!

WHAT IS CE 13+ ENGLISH AND HOW DOES IT RELATE TO THE COMMON ENTRANCE EXAM?

The CE 13+ English exam is designed to test pupils' ability to:

- Read and understand a diverse range of texts independently, and answer questions that require a range of comprehension skills.
- Analyse texts, showing evidence of personal interpretation and understanding of an argument.
- Produce original written work in the form of free prose and a short story or play script.

HOW IS THE EXAM STRUCTURED?

The CE 13+ English exam is divided into two papers: **Reading** and **Writing**. The reading paper can be taken at either **Thames Valley** or **UCL**. The writing paper will contain a slightly more complex and practical task in comparison to the free paper. Your child's current school will usually make the decision after discussing it with professional career advice and assessing your child's ability to write in the same writing style.

WHAT IS THE READING PAPER LIKE?

- **Reading time:** The reading paper will assess understanding of a piece of prose that pupils won't have seen before. The piece of prose is usually an extract from a novel or short story, and pupils will be asked to answer questions about it. The piece of prose will be around 10-15 minutes long. The paper may be used for assessment at CE 13+ as preparation with school entrance or to support learning at home.
- **Answer time:** The reading paper will also assess understanding of an extract, but this can be done using a range of skills, or more, and often involves a more complex task. This is to encourage the study of a range of texts in Years 7 and 8, and different approaches to the development of writing skills.
