## **Israel Background And U S Relations:**

**Israel: Background and U. S. Relations** Jim Zanotti, 2014-10-31 Since Israel's founding in 1948 successive U S Presidents and many Members of Congress have demonstrated a commitment to Israel's security and to maintaining close U S Israel defense diplomatic and economic cooperation U S and Israeli leaders have developed close relations based on common perceptions of shared democratic values and religious affinities U S policy makers often seek to determine how events and U S policy choices in the Middle East may affect Israel's security and Congress provides active oversight of executive branch dealings with Israel and other actors in the region *Israel* Jim Zanotti, 2014-12-31 Since Israel's founding in 1948 successive U S Presidents and many Members of Congress have demonstrated a commitment to Israel's security and to maintaining close U S Israel defense diplomatic and economic cooperation U S and Israeli leaders have developed close relations based on common perceptions of shared democratic values and religious affinities U S policymakers often seek to determine how regional events and U S policy choices may affect Israel's security and Congress provides active oversight of executive branch dealings with Israel and the broader Middle East Some Members of Congress and some analysts criticize what they perceive as U S support for Israel without sufficient scrutiny of its actions Israel is a leading recipient of U S foreign aid and is a frequent purchaser of major U S weapons systems The United States and Israel maintain close security cooperation predicated on a U S commitment to maintain Israel's qualitative military edge over other countries in its region The two countries signed a free trade agreement in 1985 and the United States is Israel's largest trading partner For more information see CRS Report RL33222 U S Foreign Aid to Israel by Jeremy M Sharp **Israel** Casey L. Addis, 2011 **Israel** , 2016 *Israel* Jim Zanotti, 2014-03-18 Since 1948 successive U S Presidents and many Members of Congress have demonstrated a commitment to Israel's security and to maintaining close U S Israel defense diplomatic and economic cooperation U S and Israeli leaders have developed close relations based on common perceptions of shared democratic values and religious affinities U S policy makers often seek to determine how events and U S policy choices in the Middle East may affect Israel's security and Congress provides active oversight of executive branch dealings with Israel and other actors in the region Some analysts criticize what they perceive as U S support for Israel without sufficient scrutiny of its actions or their implications for U S Interests Israel is a leading recipient of U S foreign aid and is a frequent purchaser of major U S weapons systems The United States and Israel maintain close security cooperation predicated on a U S commitment and legal requirement to maintain Israel's qualitative military edge over other countries in its region The two countries signed a free trade agreement in 1985 and the United States is Israel's largest trading partner Israel has many regional security concerns By criticizing the international interim agreement on Iran's nuclear program that went into effect in January 2014 Prime Minister Netanyahu may seek to give Israel a voice in an ongoing negotiating process in which it does not directly participate In addition to concerns over Iran Israel's perceptions of security around its borders have changed

since early 2011 as several surrounding Arab countries have experienced political upheaval Israel has shown particular concern about threats from Hezbollah and other non state groups in ungoverned or minimally governed areas in Syria Lebanon and Egypt s Sinai Peninsula as well as from Hamas and other Palestinian militants in the Gaza Strip Recent exploitation of offshore natural gas raise the prospect of a more energy independent future Israel s demographic profile has evolved in a way that appears to be affecting its political orientation with various leaders vying for the public s support by interweaving ideology with ethnic religious socioeconomic and national security considerations *Israel* Jim Zanotti,2020

Global Stability and U.S. National Security Kristen Boon,Aziz Z. Huq,2012 Terrorism Commentary on Security Documents is a series that provides primary source documents and expert commentary on the worldwide counter terrorism effort Among the documents collected are transcripts of Congressional testimony reports by such federal government bodies as the Congressional Research Service CRS and the Government Accountability Office GAO and case law covering issues related to terrorism Most volumes carry a single theme and inside each volume the documents appear within topic based categories The series also includes a subject index and other indices that guide the user through this complex area of the law Volume 123 Global Stability and U S National Security includes documents that illuminate instability concerns in key regions of the world and offer insights into how the lack of stability negatively affects U S interests as well as the interests of other nations The documents selected by Douglas Lovelace include primarily studies of instability concerns in the Middle East and North Africa as well as a document providing a general assessment of global stability and reports on Southeast and Central Asia and Latin America

**Israel: Background and U. S. Relations** Congressional Research Congressional Research Service,2014-12-08 Since Israel s founding in 1948 successive U S Presidents and many Members of Congress have demonstrated a commitment to Israel s security and to maintaining close U S Israel defense diplomatic and economic cooperation U S and Israeli leaders have developed close relations based on common perceptions of shared democratic values and religious affinities U S policy makers often seek to determine how events and U S policy choices in the Middle East may affect Israel s security and Congress provides active oversight of executive branch dealings with Israel and other actors in the region Some Members of Congress and some analysts criticize what they perceive as U S support for Israel without sufficient scrutiny of its actions or their implications for U S interests Israel is a leading recipient of U S foreign aid and is a frequent purchaser of major U S weapons systems The United States and Israel maintain close security cooperation predicated on a U S commitment and legal requirement to maintain Israel s qualitative military edge over other countries in its region The two countries signed a free trade agreement in 1985 and the United States is Israel s largest trading partner For more information see CRS Report RL33222 U S Foreign Aid to Israel by Jeremy M Sharp Israel has many regional security concerns By criticizing the international interim agreement on Iran s nuclear program that went into effect in January 2014 Prime Minister Binyamin Netanyahu may seek to give Israel a voice in an ongoing negotiating process in which

it does not directly participate In addition to concerns over Iran Israel s perceptions of security around its borders have changed since early 2011 as several surrounding Arab countries including Egypt and Syria have experienced political upheaval Israel has shown particular concern about threats from Hezbollah the Islamic State organization and other nonstate groups in ungoverned or minimally governed areas in Syria Lebanon and Egypt s Sinai Peninsula as well as from Hamas and other Palestinian terrorist groups in the Gaza Strip Israel s political impasse with the Palestinians continues and the most recent round of talks ended unsuccessfully in April 2014 Since the end of the 1967 Arab Israeli War Israel has militarily occupied the West Bank with the Palestinian Authority exercising limited self rule in some areas since 1995 Israeli settlement of that area facilitated by successive Israeli governments has resulted in a population of approximately 500 000 Israelis living in residential neighborhoods or settlements in the West Bank and East Jerusalem These settlements are of disputed legality under international law Israel considers all of Jerusalem to be the eternal undivided capital of Israel but Palestinians claim a capital in East Jerusalem and some international actors advocate special political classification for the city or specific Muslim and Christian holy sites Unrest and violence in Jerusalem have increased in the fall of 2014 with some ripple effects in the West Bank and in Arab communities in Israel Although Israel withdrew its permanent military presence and its settlers from the Gaza Strip in 2005 it still controls most access points and legal commerce to and from Gaza The territory presents complicated security and political challenges for Israel in particular following a summer 2014 conflict involving Israel and Hamas

Foreign Aid in the Middle East Beáta Paragi, 2019-02-28 What do we mean by gifts in International Relations Can foreign aid be conceptualized as a gift Most foreign aid transactions are unilateral and financially unreciprocated yet donors expect to benefit from them Previous research dealing with foreign aid has analyzed the main donor motives and interests in providing financial support This book offers an in depth analysis of the invisible political or social exchange taking place between recipient countries and donors when a grant agreement is signed Focusing on Egypt Jordan Palestine and Israel the main beneficiaries of Western foreign aid the book uses gift theories and theories of social exchange to show how international social bonds are shaped by foreign aid and in what ways recipient countries are obliged to return the gift they receive Foreign aid is a means of buying stability or democracy in the region but Beata Paragi is interested here to understand the actual feasibility of Western assistance Looking at the context of the Arab Spring the book examines how aid impacts on a recipient country s domestic political events such as war the quest for self determination the struggle against occupation and the fight for dignity An original contribution to Middle East Studies and International Relations the research presents an alternative interpretation of foreign aid and show how external funds interact with local developments and realities

**Conflict in the Holy Land** Robert C. DiPrizio, 2020-02-07 With more than 250 cross referenced entries covering every aspect of conflict in the Holy Land this illuminating book will help students understand the volatile history of Palestine and Israel and its impact on the rest of the world Palestine is considered a sacred land by Christians Jews and Muslims This

has contributed to the violence that has ravaged the Holy Land throughout its long history This A Z reference work which defines the Holy Land as historic Palestine the combined territories of Israel the West Bank and the Gaza Strip covers such ancient conflicts as Egypt s rule over Canaan the reign of King David and the Jewish Revolts against the Roman Empire In addition the title includes detailed entries on medieval conflicts such as the Crusades and contemporary conflicts such as the Arab Israeli wars The introduction provides readers with the necessary context to understand the region s bloody history and a comprehensive chronology that will help students construct a more complete picture of conflict in the Holy Land Then come hundreds of key entries on the events individuals groups places and ideologies that have played an important role The title concludes with an expansive bibliography that will aid students looking to do more research on the topic and a thorough index

**Middle East: Selected Key Issues and Options for the 112th Congress , State Responses to Nuclear**

**Proliferation** Brian K. Chappell,2021-01-07 Contemporary fears of rogue state nuclear proliferation and nuclear terrorism pose unique challenges for the global community This book offers a unique approach by examining why states that have the military capability to severely damage a proliferating state s nuclear program instead choose to pursue coercive diplomacy The author argues cognitive psychological influences including the trauma derived from national tragedies like the September 11th attacks and the Holocaust and a history of armed conflict increase the threat perceptions of foreign policy decision makers when confronting a state perceived to be challenging the existing power structure by pursuing a nuclear weapon The powerful state s degree of perceived threat combined with its national security policies military power projection capabilities and public support then influence whether it will take no action use coercive diplomacy sanctions or employ military force to address the weaker state s nuclear ambitions

**The Obama Administration's Nuclear Weapon Strategy**

Aiden Warren,2013-07-24 This book comprehensively outlines and evaluates the key Obama nuclear weapons policies developments and initiatives from 2008 2012 Beginning with the administration s vision and goals posited in the 2009 Prague Speech and reaffirmed in the National Security Strategy of 2010 the book assesses the congressionally mandated Nuclear Posture Review the New START Treaty the pursuit of Comprehensive Nuclear Test Ban Treaty ratification the Proliferation Security Initiative the Fissile Material Cut off Treaty the Nuclear Non Proliferation Review Conference the Global Nuclear Security Summit and the extent to which Obama in the context of such initiatives has actually upheld the lofty goals posited in Prague and differentiated himself from the nuclear path pursued by the Bush Administration Additionally the book evaluates the Obama Administration s dealings with other states in the context of its nuclear weapons policy in particular North Korea Iran Pakistan Israel India and China Offering a comprehensive analysis of the current status of the US nuclear weapons strategy this volume will be of great interest to scholars and students of American foreign policy security studies and international relations

**Israel** Addis, **Consummation of the Ages vol I** Henry Epps,2012-08-29 The consummation of the ages vol I talks about the accumulation of the end of the ages and global change Jesus will return and

restore cosmos order     Israel Jim Zanotti,     *Israel* Rafael Aronstam, 2013 Since Israel's founding in 1948 successive U S Presidents and many Members of Congress have demonstrated a commitment to Israel's security and to maintaining close U S Israel defence diplomatic and economic co operation U S and Israeli leaders have developed close relations based on common perceptions of shared democratic values and religious affinities U S policymakers often seek to determine how regional events and U S policy choices may affect Israel's security and Congress provides active oversight of executive branch dealings with Israel and the broader Middle East Israel is a leading recipient of U S foreign aid and is a frequent purchaser of major U S weapons systems The United States and Israel maintain close security co operation predicated on a U S commitment to maintain Israel's qualitative military edge over other countries in its region The two countries signed a free trade agreement in 1985 and the United States is Israel's largest trading partner Israel has many regional security concerns Israeli leaders calling for urgent international action against Iran's nuclear program hint at the possibility of a unilateral military strike against Iran's nuclear facilities In addition to concerns over Iran Israel's perceptions of security around its borders have changed since early 2011 as several surrounding Arab countries including Egypt and Syria have experienced political upheaval Israel has shown particular concern about threats from Hezbollah and other non state groups in ungoverned or minimally governed areas in Syria Lebanon and Egypt's Sinai Peninsula as well as from Hamas and other Palestinian militants in the Gaza Strip Israel's political impasse with the Palestinians on core issues in their longstanding conflict shows little or no sign of abating Since the end of the 1967 Arab Israeli War Israel has militarily occupied and administered the West Bank with the Palestinian Authority exercising limited self rule in some areas since 1995 This book provides current background and historical perspective on Israel and its U S relations     *Georgia Journal of International & Comparative Law* , 2012     *Israel* Rafael Aronstam, 2014-05-14 Since Israel's founding in 1948 successive U S Presidents and many Members of Congress have demonstrated a commitment to Israel's security and to maintaining close U S Israel defense diplomatic and economic cooperation U S and Israeli leaders have developed close relations based on common perceptions of shared democratic values and religious affinities U S policymakers often seek to determine how regional events and U S policy choices may affect Israel's security and Congress provides active oversight of executive branch dealings with Israel and the broader Middle East Israel is a leading recipient of U S foreign aid and is a frequent purchaser of major U S weapons systems The United States and Israel maintain close security cooperation predicated on a U S commitment to maintain Israel's qualitative military edge over other countries in its region The two countries signed a free trade agreement in 1985 and the United States is Israel's largest trading partner Israel has many regional security concerns Israeli leaders calling for urgent international action against Iran's nuclear program hint at the possibility of a unilateral military strike against Iran's nuclear facilities In addition to concerns over Iran Israel's perceptions of security around its borders have changed since early 2011 as several surrounding Arab countries including Egypt and Syria have experienced political upheaval Israel has shown

particular concern about threats from Hezbollah and other non state groups in ungoverned or minimally governed areas in Syria Lebanon and Egypt s Sinai Peninsula as well as from Hamas and other Palestinian militants in the Gaza Strip Israel s political impasse with the Palestinians on core issues in their longstanding conflict shows little or no sign of abating Since the end of the 1967 Arab Israeli War Israel has militarily occupied and administered the West Bank with the Palestinian Authority exercising limited selfrule in some areas since 1995 This book provides current background and historical perspective on Israel and its U S relations      **American Foreign Policy and Treaty Index** ,1999

## **Israel Background And U S Relations** Book Review: Unveiling the Power of Words
