The Destruction and Creation of Michael Jackson Ellis Cashmore,2022 However people remember Jackson no one can deny that in cultural terms Jackson remains a compelling subject an icon of the late 20th century he reflects not only the changes in the circumstances of the African American population but changes in white America Jackson was idolized perhaps even objectified into an extraordinary being for whom there were no established reference points in whites conceptions This book posits that Jackson was a creation of at first American and later global culture at a time when it seemed desirable if not necessary to exalt a Black person on merit America had become a society in which someone of Jackson s indisputable genius not only can but must rise to the top **Michael Jackson** Sarah Tieck,2011-01-01 Presents the life and career of singer Michael Jackson *Michael Jackson Rocked the World and Lives Forever* Jel Jones,2010-04-21 Michael Jackson Rocked the World and Lives Forever is an honorable compilation and a rare collectible that is a true tribute to the life and career of Michael Jackson the world s most proficient entertainer that ever set foot on a stage He was a masterful entertainer prominent all over the world This volume is a glimpse through the window at some of his brilliance It considerably peels

Discovering Michael Emma Mellone,2012-12-26 Who was Michael Jackson Certainly he has been a bright icon of the twentieth century A brilliant artist a champion for the environment a great

philanthropist but in the collective imagination his name evokes an eccentric and disquieting celebrity His enigmatic personality caused Jackson to undergo unprecedented media persecution perpetrated for decades His glory became his prison his life turned out a nightmare Infinite judicial quarrels and slanderous accusations undermined the foundations of his ideals and affections plunging him into isolation After his premature death now considered suspect a process of redemption began consecrating Michael Jackson in the dimension of Myth What caused the exceptional nature of his strange fate of huge successes and painful personal tragedies What legacy did he want to leave us With striking sensitivity the author takes the reader through the highlights and shadows of an emotional journey into the world of the King of Pop She carefully reconstructs the events that marked the artist's life and led him to his death She rediscovers the charisma and value of his art often obscured by sensationalism She returns to Michael his humanity urging everyone to look beyond the surface of media misinformation and mere appearances

The Trials of Michael Jackson Lynton Guest, 2020-07 News of Michael Jackson's appearances in court on paedophile charges in 2005 was broadcast to hundreds of millions of people around the world Everyone had opinions about the testimony and the witnesses as the drama was played out in the small town of Santa Maria in California This book not only tells the story of that trial but of what was secretly going on behind the scenes a far more important and mysterious tale than that unfolding in the courthouse The Trials of Michael Jackson reveals the sensational events which led to the downfall of a megastar at the hands of the mighty Sony company and an obsessive but compliant prosecutor Using previously unpublished material personal interviews and evidence gathered during research on three continents Lynton Guest uncovers the truth about the bitter feud between one of the biggest corporations in the world and pop music's greatest legend The Trials of Michael Jackson is a roller coaster ride from the ashes of a defeated Japan in 1945 to the twenty first century celebrity culture which now spans the globe It provides the most authoritative look yet at the music business and its extreme excesses over the last forty years But more than anything else The Trials of Michael Jackson shows how the man who gave us Thriller the biggest selling record of all time was hunted down and all but destroyed by forces beyond even his control The death of one of the planet's greatest legends in June 2009 has generated unprecedented speculation rumour and controversy There are more questions than answers and the report by the Los Angeles coroner in August 2009 means that Jackson's death is now officially a homicide Is there a hidden agenda between Dr Conrad Murray his paymasters AEG Live and Sony Corporation Why was Propofol a powerful anaesthetic administered to Michael Jackson by Dr Murray What is Philip Anschutz's involvement in Jackson's death Was Michael Jackson worth more dead than alive These questions are only a few raised by Lynton Guest in this hard hitting Second Edition in his quest to seek the truth in The Trials of Michael Jackson
