

The background of the slide is a photograph of a museum exhibit. It features large, fluted, light-colored columns that create a sense of depth. In the foreground, a stone floor has the words "EXHIBITION MICROBIOLOGY" engraved on it. In the background, blurred figures of people are visible, and a large, colorful, abstract sculpture made of spheres hangs from the ceiling. In the top right corner, there is a grid of 24 small, colorful images, likely representing various microbiological topics or laboratory techniques.
