Brief Edition 3e comes from the same author team as the market leading Principles of Microeconomics textbook. Microeconomics Brief Edition tailors the core concepts from proven leader Microeconomics 21st edition to create a concise introduction to the course that is distinct in purpose, style, and coverage. Like the 21st edition, Microeconomics Brief Edition 3e continues to be innovative while teaching students in a clear, unbiased way. Content and pedagogy have 3 main goals: help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Connect Economics, McConnell Brief 3e, also brings a robust set of digital tools to engage today's students. From SmartBook to videos and interactive graphs, students have the tools to learn economics principles and apply how it relates to their everyday lives.
