Financial Inclusion, Sustainability, and the Influence of Religion and Technology Rehman, Awaiz Ur, Malik, Arsalan Haneef, 2024-03-18

Financial inclusion has proven to be a looming issue challenging policymakers and scholars. Financial inclusion revolves around the fundamental notion of ensuring that individuals from all walks of life have access to affordable and effective financial products and services that cater to their unique needs. Yet as we grapple with this issue, we find it entwined with other critical factors such as religious and cultural norms, technological advancements, and sustainability goals. The intricate web of these elements forms a complex tapestry that requires deep exploration and understanding.

Financial Inclusion, Sustainability, and the Influence of Religion and Technology is a groundbreaking book which delves headfirst into the multifaceted issue of the inclusivity of financial services and the complexities of societal interplay in this matter. Targeting academic scholars as its primary audience, this book acts as a guide to solution development. It meticulously unravels the intricate connections between financial inclusion, sustainability, religion, and technology. Readers will embark on a journey that not only dissects the problem but also illuminates the path forward. From exploring the complex relationship between financial inclusion and sustainability to identifying the challenges and opportunities presented by religion and technology, this book leaves no stone unturned. It offers a comprehensive roadmap for future research and action, providing a beacon of hope for achieving a more equitable and technologically advanced future.
