The Lightning Thief - Anticipatory Guide

Instructions: In groups of two, look at the Anticipatory Guide below. Go through the anticipatory guide together by:

- Taking turns reading the statements out loud.
- Discussing your opinions.
- Making your answers and writing your reason.
- Use the formulaic expressions (language models) below the anticipatory guide to support your discussions.

Statement	Agree	Disagree	Reason
1 Ancient myths and legends have no real connection to the modern world.			
2 It's easy to tell the difference between a hero and a villain.			
3 If you're really good at something, it means you're good at everything.			
4 When something goes wrong, it's usually just bad luck.			
5 Even power for people or machines can make mistakes.			

Formulaic Expressions:

Student A: I will read statement _____. It says, _____. I agree/disagree with this statement because _____. So, for statement _____ I am going to mark (agree/disagree). What do you think?

Student B: I agree/disagree with you because _____. So, for statement _____ I am going to mark (agree/disagree). Now, I will read statement _____.

Lightning Thief Core Curriculum Guide

Sarah Tantillo

Lightning Thief Core Curriculum Guide:

Your Curriculum Companion: Libby Woodfin, Suzanne Nathan Plaut, Sarah Boddy Norris, 2021-02-01 This essential guide to the EL Education 6-8 Language Arts Curriculum is one part roadmap to the curriculum, one part orientation to its instructional practices, and one part coach to answer your questions, relieve your stress, and put you and your students on the path to success. Your Curriculum Companion explores the foundations of the curriculum, including the principles and research it was built on, and the instructional practices that make it unique. The book is designed to help you look under the hood at practices embedded throughout the curriculum so that you can sharpen your instruction, support students to be leaders of their own learning, and make well-informed changes to best meet your students' needs. Key features of Your Curriculum Companion include: Twenty-two accompanying videos see the curriculum in action; Task cards for guidance on how to plan when the planning has been done for you; A deep dive into the purpose and structure of close reading, including a sample annotated lesson; An exploration of the relationship between reading and writing, and how the curriculum is designed to help students become strong communicators, including an annotated read-think-talk-write lesson; The why, what, and how of supporting students to meet grade-level expectations; supporting students who need additional challenges; and supporting English language learners. Guidance for turning evidence of student progress into usable data that can inform your instruction. Support for school leaders. *Connecting Comics to Curriculum* Karen W. Gavigan, Mindy

Tomasevich, 2011-09-29 Here is the essential guide for librarians and teachers who want to develop a quality curriculum-based graphic novel collection and use its power to engage and inform middle and high school students. *Connecting Comics to Curriculum: Strategies for Grades 6-12* provides an introduction to graphic novels and the research that supports their use in schools. The book examines best curriculum practices for using graphic novels with students in grades 6-12, showing teachers and school librarians how they can work together to incorporate these materials across the secondary curriculum. Designed to be an essential guide to harnessing the power of graphic novels in schools, the book covers every aspect of graphic novel use in libraries and classrooms. It illuminates the criteria for selecting titles, explores collection development strategies, and suggests graphic novel tie-ins for subjects taught in secondary schools. One of the first books to provide in-depth lesson plans for teaching a variety of middle and high school standards with graphic novels, the guide offers suggestions for differentiating instruction and includes resource lists of recommended titles and websites. **Mapping**
