MENTATS OF DUNE

The cover art is a detailed illustration. In the foreground, a person wearing a red robe and a turban stands with their back to the viewer, looking across a body of water. The water reflects the colors of the sky and the distant structure. In the middle ground, there is a large, complex structure with multiple domes and arches, resembling a temple or a palace. The structure is built on a platform in the water. In the background, a massive planet with a prominent ring system hangs in the sky, casting a bright glow. The sky is a mix of purple, pink, and blue. The overall scene is framed by dark, gnarled tree trunks on the left and right sides.
