LESSON 2 • ACTIVITY 3

Answer for Changes in Supply

Part A

Based on the information provided in Figure 13.2, each scenario below would shift the supply of one of your chosen products (all cases). Identify the shift relative to the right or left (supply increases when the supply curve shifts to the right and decreases when it shifts to the left) and indicate whether the change is an increase or a decrease in supply. In the third column, describe how the supply curve shifts (shifts to the right, shifts to the left, or the supply curve does not shift). Use Figure 13.2 to help you. Answer each of parts A, B, and C on a separate sheet of paper. Each scenario implies that the supply of one item has changed.

Figure 13.2
Supply of Foreign and Domestic Cars

Exploring Microeconomics Robert L. Sexton, 2018-12-10 The excitement of learning economics for the first time The experience of a lifetime of teaching it The Eighth Edition of Exploring Microeconomics captures the excitement of learning microeconomics for the first time through a lively and encouraging narrative that connects microeconomics to the world in a way that is familiar to students Author Robert L. Sexton draws on over 25 years of teaching experience to capture students' attention focusing on core concepts and expertly weaving in examples from current events and popular culture to make even classic economic principles modern and relatable The text sticks to the basics and applies a thoughtful learning design segmenting its presentation into brief visually appealing self-contained sections that are easier for students to digest and retain compared to sprawling text Thoughtfully placed section quizzes interactive summaries and problem sets help students check their comprehension at regular intervals and develop the critical thinking skills that will allow them to think like economists Combined with a complete teaching and learning package Exploring Microeconomics is sure to help you ignite your students' passion for the field and reveal its practical application in the world around them *Advanced Placement*
