The Land of the Midnight Sun Paul Belloni Du Chaillu,1888 **Eighteen Wheels North to Alaska** Cliff Bishop,2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done These pioneer drivers never conquered or tamed Alaska s roads and weather but they learned to operate on the back trails and paths always making their way to the trip s end In spite of all the challenges they never quit The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs and comes up short again and again because there is no effort without error or shortcoming but who knows the great enthusiasms the great devotions who spends himself for a worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least he fails while daring greatly so that high place shall never be with those cold and timid souls who knew neither victory nor defeat Eighteen Wheels North to Alaska A History of Trucking in Alaska is the story of Alaskan drivers who guided coaxed pushed pulled plowed and somehow made it to the end of the road and beyond over high mountain passes whiteout conditions seventy below zero temperature through mud muck and tundra terrain even onto the Arctic Ocean ice beyond the shore Nickolai's Quest ,

How Muslims Shaped the Americas Omar Mouallem, 2021-09-21 Winner of the Wilfrid Eggleston Award for Nonfiction Selected as a Most Anticipated Book of Fall by The Globe and Mail and The Toronto Star An insightful and perspective shifting new book from a celebrated journalist about reclaiming identity and revealing the surprising history of the Muslim diaspora in the west from the establishment of Canada s first mosque through to the long lasting effects of 9 11 and the devastating Quebec City mosque shooting Until recently Muslim identity was imposed on me But I feel different about my religious heritage in the era of ISIS and Trumpism Rohingya and Uyghur genocides ethnonationalism and misinformation I m compelled to reclaim the thing that makes me a target I ve begun to examine Islam closely with an eye for how it has shaped my values politics and connection to my roots No doubt Islam has a place within me But do I have a place within it Omar Mouallem grew up in a Muslim household but always questioned the role of Islam in his life As an adult he used his voice to criticize what he saw as the harms of organized religion But none of that changed the way others saw him Now as a father he fears the challenges his children will no doubt face as Western nations become increasingly nativist and hostile toward their heritage In *Praying to the West* Mouallem explores the unknown history of Islam across the Americas traveling to thirteen unique mosques in search of an answer to how this religion has survived and thrived so far from the place of its origin From California to Quebec and from Brazil to Canada s icy north he meets the members of fascinating communities all of whom provide different perspectives on what it means to be Muslim Along this journey he comes to understand that Islam has played a fascinating role in how the Americas were shaped from industrialization to the changing winds of politics And he also discovers that there may be a place for Islam in his own life particularly as a father even if he will never be a true believer Original insightful and beautifully told *Praying to the West* reveals a secret history of home and the struggle for belonging taking place in towns and cities across the Americas and points to a better more inclusive future for everyone
