Tithes and Offering Ricardo R. Mercado, 2009-09 In the book of 1 Chronicles is a story about a King named Solomon King Solomon burnt 1 000 offerings to God It was such a big offering that it moved God He was moved so much he himself came to visit Solomon Imagine how awesome it would be to have God himself come visit us because we did something to touch his heart How much more awesome would it be to hear him say to us ask anything of me When we give to the Kingdom of God the windows of heaven will open For Solomon God himself came to him he didn't send a messenger God loves a cheerful giver and he gave Solomon the opportunity of a lifetime Don't tithe to be blessed Tithe because you're already blessed w w w t i t h e s a n d o f f e r i n g c o m Israel carried God's presence in the ark We carry His presence in our hearts My name is Rick Mercado the developer of tithesandoffering.com where we supply Lessons in Giving for Children and Youth Ministries Grace is my wife and Caleb Elijah and Joshua are my boys I joined the children's ministry in early 2002 After only three weeks my leader asked me to begin collecting the tithes and offerings at the Friday night meetings I was shocked because I didn't feel prepared for this important responsibility I had watched him conduct the offering asking the kids all sorts of questions leading to their planting of their seed But let's be honest I didn't understand what he was doing or why he was doing it God had something for me not only for my own personal life but also for His kingdom Thus was the beginning of my ministry of Tithes and Offering

The First Year Out Tim Clydesdale, 2008-09-15 Wild parties late nights and lots of sex drugs and alcohol Many assume these are the things that define an American teenager's first year after high school But the reality is really quite different As Tim Clydesdale reports in *The First Year Out* teenagers generally manage the increased responsibilities of everyday life immediately after graduation effectively But like many good things this comes at a cost Tracking the daily lives of fifty young people making the transition to life after high school Clydesdale reveals how teens settle into manageable patterns of substance use and sexual activity how they meet the requirements of postsecondary education and how they cope with new financial expectations Most of them we learn handle the changes well because they make a priority of everyday life But Clydesdale finds that teens also stow away their identities religious racial political or otherwise during this period in exchange for acceptance into mainstream culture This results in the absence of a long range purpose for their lives and imposes limits on their desire to understand national politics and global issues sometimes even affecting the ability to reconstruct their lives when tragedies occur *The First Year Out* is an invaluable resource for anyone caught up in the storm and stress of working with these young adults
