Consumer Economics and Personal Money Management Francis M. Albin,1989 A practical how to approach to all aspects of consumer money management A core text for one quarter or one semester courses in Personal Finance or Consumer Economics Financial Management Information Package United States. Interstate Commerce Commission,1981 **Home Economics** Arthur Kebo,2012-04-30 In economic hard times everyone feels the crunch on their wallets It seems that living costs and fuel prices are skyrocketing while salaries and wages still remain the same This workbook is designed to help people manage their finances and cut costs It serves as a tool to properly plan your day to day and week to week expenses The other book by the same author Save Money Checklist Worksheet Volume 1 but it is also for those who would like to save money for other plans such as vacations weddings and extra pocket money every month A worksheet needs to be easy to use and light enough to carry around It also needs to be easily accessible and provide extra space for notes and memos This workbook provides lots of space to write on and is developed to give you a ready made budget and expense tracking tool at minimal cost One does not need an expensive tool unless that individual owns a business and if it is just for personal expense

management a simple tool is always best At the beginning of the workbook is a detailed calculation worksheet to determine one's budget and at the end of the workbook is a calculation worksheet to figure out the balance between the budget and weekly monthly expense totals This will give you an idea whether you are achieving your budget or you need to go back and identify in the records where you are overspending and come up with a possible way to cut cost in that area Everyone can do with a little extra pocket money every week Rather than wasting money unnecessarily it is time that you roll up your sleeves and do something to prevent money going down the drain Only you can take that initiative by spending just a few seconds to track your expenses every day Good luck on your path to saving money and earning money without working for it
