#### *Introduction to Money Reiki*

Money Reiki is a style of Reiki that works with the “Spiritual Energy of Money.”

Reiki, for those who are not familiar with it, is a form of hands-on and distance energy healing that generally uses the visualization of symbols as a trigger for the healing energy. The ability to channel Reiki energy is passed through what is called an “attunement,” which is an energetic transfer of the Reiki energy from a Reiki Master to the recipient.

In this Money Reiki course you will not be told that your money problems will be solved immediately through positive thinking. Rather, through persistent application of energy healing, as well as taking action in your life, you can *gradually* overcome your financial issues. But, depending on the severity of your situation, this could take some time. is wrong. Many people have benefited from prosperity teachings. It does not work equally well for everyone, however. Why that is will be explained shortly.
