Cowritten by Simone Davies, author of the bestselling *The Montessori Toddler*, and Junnifa Uzodike, it's a book filled with hundreds of practical ideas for understanding what is actually happening with your baby and how you can mindfully assist in their learning and development. Including how to prepare yourself for parenthood physically, emotionally, intellectually, and spiritually; become an active observer to understand what your baby is really telling you; create Montessori spaces in your home, including yes spaces where nothing is off limits; set up activities that encourage baby's movement and language development at their own pace; raise a secure baby who's ready to explore the world with confidence.

Montessori and Early Childhood Susan Feez, 2009-10-16 Early childhood education across the world has been influenced by the pioneering work of Maria Montessori, and this book provides a complete overview of Montessori pedagogy and practice. It considers the Montessori approach within the context of early childhood education and care and examines it in the light of new insights from the fields of neuroscience and child development. By helping the reader understand the influence of Montessori on contemporary early years policy and practice, the book outlines ideas relevant to all early years settings and suggests ways for all early childhood educators to apply these ideas in practice. The book looks in detail at the Montessori story: the child as worker and the adult as observer; developing independence and concentration; using the senses to build the foundations for learning; early communication and language; early mathematics; cultural knowledge and understanding. Maria Montessori and other early childhood pioneers. Within each chapter are definitions of the key concepts of the Montessori approach; questions for reflection and discussion; activities and suggestions for further reading. This book focuses on the 3 to 6 age range. Susan Feez is a Lecturer in the Faculty of Education at the University of New England, Armidale, Australia.
