African Minorities in the New World Toyin Falola, Niyi Afolabi, 2007-11-13 This book discusses the minority status of African immigrants in the New World by revisiting the concept of a new African diaspora and its multiple implications for citizenship and immigration policy China Monthly Data, 1998 *Nigeria* John Campbell, Matthew T. Page, 2018 As the Giant of Africa Nigeria is home to about twenty percent of the population of Sub Saharan Africa serves as Africa's largest producer of oil and natural gas comprises Africa's largest economy and represents the cultural center of African literature film and music Yet the country is plagued by problems that keep it from realizing its potential as a world power Boko Haram a radical Islamist insurrection centered in the northeast of the country is an ongoing security challenge as is the continuous unrest in the Niger Delta the heartland of Nigeria's petroleum wealth There is also persistent violence associated with land and water use ethnicity and religion In Nigeria What Everyone Needs to Know R John Campbell and Matthew Page provide a rich contemporary overview of this crucial African country Delving into Nigeria's recent history politics and culture this volume tackles essential questions related to widening inequality the historic 2015 presidential election the persistent security threat of Boko Haram rampant government corruption human rights concerns and the continual conflicts that arise in a country that is roughly half Christian and half Muslim With its continent wide influence in a host of areas Nigeria's success as a democracy is in the fundamental interest of its African neighbors the United States and the international community This book will provide interested readers with an accessible one of a kind overview of the country **The Future of Christianity** David Martin, 2016-03-16 This book offers a mature assessment of themes preoccupying David Martin over some fifty years complementing his book *On Secularization* Deploying secularisation as an omnibus word bringing many dimensions into play Martin argues that the boundaries of the concept of secularisation must not be redefined simply to cover aberrant cases as when the focus was more on America as an exception rather than on Europe as an exception to the furiously religious character of the rest of the world Particular themes of focus include the dialectic of Christianity and secularization the relation of Christianity to multiple enlightenments and modes of modernity the enigmas of East Germany and Eastern Europe and the rise of the transnational religious voluntary association including Pentecostalism as that feeds into vast religious changes in the developing world Doubts are cast on the idea that religion has ever been privatised and has lately reentered the public realm The rest of the book deals with the relation of the Christian repertoire to the nexus of religion and politics including democracy and violence and sharply criticises polemical assertions of a special relation of religion to violence and explores the contributions of cognitive science to the debate Economics of Religion Lionel Obadia, Donald C. Wood, 2011-10-25 Explores the fresh paradigms of religious economics and economies of religion under the scope of transdisciplinary and international perspectives This title examines and appraises some of the theoretical developments and methodological innovations in religious and social sciences **WISDOM** Ruphina Folayemi Ojo

Adesan,2018-05-21 WISDOM eBook produced by Wisdom Consultancy Ltd is full of wisdom to be gleaned for a victorious living It has interesting and informative human angle and general interests stories personality interviews historical articles and Bible led faith stories of personal encounters In this edition read all about the profile of the founder of the Redeemed Christian Church of God Worldwide Ondo Kingdom Day Celebrations and inspirational stories of how to unlock your potentials The wife of the Executive Governor of Benue State HE Arc Mrs DY Suswam also featured in an exclusive interview

Text and Context Melanie Baffes,2018-10-24 As biblical hermeneutics moves increasingly toward the inclusion of vernacular approaches to the text understandings of the Bible based on culture context and human experience many communities of faith around the world are contributing their voices to the conversation of global Christianity This volume explores reading methods and text interpretations of believers in South Africa the Caribbean Spain the Netherlands the United States India Kenya Fiji Japan the United Kingdom New Zealand and Nigeria revealing the ways various faith communities read the Bible contextually Essays in this volume also illustrate the impact of the biblical text in people s lives on their understandings of oppression identity the plight of refugees decline and loss the relationship between church and society imperialism homelessness restorative justice bodily experiences of the Holy Spirit and time and the future Together these writings provide an in depth sense of how global Christians read the Bible through the lens of their own tradition or culture as well as how the Bible informs all aspects of their lives as they read the world biblically **The News** ,2005

Daily Graphic Ransford Tetteh,2014-04-05 Christianity and Social Change in Africa Toyin Falola,2005 Christianity and Social Change in Africa is the most comprehensive look at the African encounter with Christianity in recent years The book s themes are drawn from the pioneering work of J D Y Peel building on his creative explanation of the African experience of Christianity The volume covers a broad range of themes including religious expansion the rise of Pentecostalism and the use of new media and technologies to convert people and reform believers The various manifestations of religious impact run through all the chapters covering aspects of culture politics the economy and the landscape The volume also explores the success of Africans in exporting Christianity to other parts of the globe a phenomenon that has redefined both the message and meaning of this religion The contributors are a distinguished roster of scholars who draw on years of experience and research to present remarkable ideas and original interpretations of the forces Christianity exerts in Africa The essays reflect the importance of comparative historical inquiry inter disciplinary perspectives Peel s contributions to the transformation of history and sociology and the paths that a new generation of scholars must chart to comprehend the power of African Christianity For all interested in the processes and power relations of cultural self representation and self determination in the African context this book is essential The International Journal of African Historical Studies The chapters are well written persuasive and well structured The book is a useful tool for the study of social transformation and cultural persistence in African diaspora and cultural studies Journal of African History This is an important book for scholars

of Nigeria and the Yoruba world but also for those interested in the ongoing question of religious change in Africa and the diaspora. Indeed, some of the individual essays have the potential to become classics. This book is a fitting salute to the legacy of John Peel. *African Studies Review*. At a time when Christianity in Africa is experiencing a great leap forward, Christianity and Social Change in Africa facilitates an exploration of some of the themes more critical to this development. The book signals interesting directions for future research and should be welcomed by anyone interested in the still unfolding landscape that is Christianity in Africa. Pneuma *Ecologies of Faith in New York City* Richard Cimino, Nadia A. Mian, Weishan Huang, 2013. *Ecologies of Faith in New York City* examines patterns of interreligious cooperation and conflict in New York City. It explores how representative congregations in this religiously diverse city interact with their surroundings by competing for members, seeking out niches, or cooperating via coalitions and neighborhood organizations. Based on in-depth research in New York's ethnically mixed and rapidly changing neighborhoods, the essays in the volume describe how religious institutions shape and are shaped by their environments, what new roles they have assumed, and how they relate to other religious groups in the community. **Gardeners' Chronicle**, 1871 **Brandfaces**, 2003 *Circle Network News*, 1998 *The Mining Record [microform]*, 1955 **The Medical Journal of Australia**, 1950 *Encyclopedia of American Religions* J. Gordon Melton, 2003. This encyclopedia, revised and expanded, contains over 2600 descriptive entries on the religious and spiritual groups of the United States and Canada. **Magnetic Tape Reporting for Form 941, Quarterly Federal Tax Return, and 941E, Quarterly Return of Withheld Federal Income Tax and Medicare Tax** United States.
