Gary Day,Jack Lynch,2015-03-09 Provides a comprehensive overview of all aspects of the poetry drama fiction and literary and cultural criticism produced from the Restoration of the English monarchy to the onset of the French Revolution Comprises over 340 entries arranged in A Z format across three fully indexed and cross referenced volumes Written by an international team of leading and emerging scholars Features an impressive scope and range of subjects from courtship and circulating libraries to the works of Samuel Johnson and Sarah Scott Includes coverage of both canonical and lesser known authors as well as entries addressing gender sexuality and other topics that have previously been underrepresented in traditional scholarship Represents the most comprehensive resource available on this period and an indispensable guide to the rich diversity of British writing that ushered in the modern literary era 3 Volumes www.literatureencyclopedia.com

Survival Adam Y. Stern,2021-03-26 For a world mired in catastrophe nothing could be more urgent than the question of survival In this theoretically and methodologically groundbreaking book Adam Y Stern calls for a critical reevaluation of survival as a contemporary regime of representation In *Survival* Stern asks what texts what institutions and what traditions have made survival a recognizable element of our current political vocabulary The book begins by suggesting that the interpretive key lies in the discursive prominence of Jewish survival Yet the Jewish example he argues is less a marker of Jewish history than an index of Christianity's impact on the modern secular political imagination With this inversion the book repositions Jewish survival as the supplemental effect and mask of a more capacious political theology of Christian survival The argument proceeds by taking major moments in twentieth century philosophy theology and political theory as occasions for collecting the scattered elements of survival's theological political archive Through readings of canonical texts by secular and Jewish thinkers Hannah Arendt Walter Benjamin Franz Rosenzweig and Sigmund Freud Stern shows that survival belongs to a history of debates about the sovereignty and subjection of Christ's body Interrogating survival as a rhetorical formation the book intervenes in discussions about biopolitics secularism political theology and the philosophy of religion

Key Concepts in Medieval Literature Elizabeth Solopova,Stuart Lee,2007-07-20 *Key Concepts in Medieval Literature* introduces students to the major authors themes and genres of the English Middle Ages These are discussed in concise focused essays accompanied by summaries and recommendations for further reading highlighting the need to see texts in context both historically and linguistically *Columbia University Course in Literature* ,1928 *Souls with Longing* Dustin A. Gish,Bernard J. Dobski,2011-11-21 The works of William Shakespeare vividly represent for our admiration and study a pageant of souls with longing in whose wake we ceaselessly follow Through some of his most memorable characters Shakespeare illuminates the nature and character as well as consequences of our distinctively human passions and ambition in particular our desire for and pursuit of both honor and love The contributors to this collaborative volume scholars in

English Literature Political Philosophy and the Humanities argue that Shakespeare has much to teach us about our longing for honor and love in particular and thus about who we are what we desire and why Through sustained reflection on the Shakespearean portraits of honor and love which are the focus of the chapters in *Souls With Longing* we become more keenly aware of our own humanity and come to know ourselves more profoundly As the abiding popularity of his works aptly demonstrates Shakespeare's unforgettable portraits of souls with longing his representations of honor and love continue to exert undeniable sway over our political moral and romantic imaginations Helps for Translators, 1973 God's Plan of Salvation J.
