C++11 for Programmers Paul Deitel, Harvey M. Deitel, 2013-03-21

In C 11 for Programmers, the Deitels bring their proven Live Code approach to teaching today's powerful new version of the C language. Like all Deitel Developer titles, they teach the best way possible via hundreds of complete example C programs with thousands of lines of downloadable C source code. Unlike other C 11 books, this guide teaches robust best practice coding practices that fully support the CERT Coordination Center's authoritative secure coding standards. To help you write programs that are even more secure, the Deitels also introduce C 11's new non-deterministic random number generation capabilities. Using all these techniques, you can write industrial strength C 11 code that stands up to attacks from viruses, worms, and other forms of malware. Ideal for anyone who's worked with at least one programming language before, C 11 for Programmers utilizes a proven early objects approach, emphasizing program

clarity software reuse and component oriented software construction In addition to the core language it will help you take advantage of the newest standard libraries and the newest language extensions Coverage includes many new C 11 features including smart pointers regular expressions shared_ptr and weak_ptr and more This book contains 240 complete C 11 programs more than 15 000 lines of downloadable code All code has been thoroughly tested on three popular industrial strength C 11 compilers GNU C 4 7 Microsoft Visual C 2012 and Apple LLVM in Xcode 4 5 How to Do Everything Nexus One Bud Smith,2010-07-26 Tap into every feature of your Nexus One This hands on guide shows you how to maximize the powerful Android superphone and its integrated phone email and web access functionality How to Do Everything Nexus One covers all the revolutionary capabilities including voice recognition and the 5 megapixel camera as well as built in Google services like Google Voice Gmail Google Maps with turn by turn navigation and Google Earth Get tips for customizing your device managing contracts texting shooting video downloading apps playing music and much more This one stop resource covers it all Take advantage of all Nexus One and Android apps Connect to data and voice networks including Google Voice Make calls and send text and multimedia messages Master the hardware and software controls including voice recognition Design your home screen and get apps Load and manage contacts Use Gmail and email set up accounts and chat with Google Talk Browse the web with Google Chrome Get spoken turn by turn directions with Google Maps Navigation Snap photos and capture videos Load and play music **Kiplinger's Personal Finance** ,2010 **The Wall Street Journal** ,2009
