Breadmaker

Please read and keep these instructions.

Making your own bread easily...

The smell of homemade bread wafting around the home is one of those great smells. Bread, fresh out of the oven, with melting butter is a memorable taste sensation. The Morphy Richards breadmaker can create that experience every morning.

There's very little effort on the part of the baker, because the breadmaker does all the work for you.

Besides being able to do all kinds of speciality breads, including wholewheat, you can also prepare doughs for bread rolls, pizza, cake and jam. Everything is easy and tastes homemade – because it is.
