close knowledge of the subject that links the chapters in that section Often drawing directly on fieldwork experience in a variety of contexts authors consider how concepts of intimacy can illuminate the ethnographic study of music addressing questions such as how can we understand ethnomusicological and ethnographic research and performance as processes of musically mediated intimacy How are the longstanding relationships we develop with others particularly intimated by and through musicking How do we understand the musically intimate relationships of others and how do these inflect our own musical intimacies How does music represent inscribe constrain or provoke social or personal intimacies in particular contexts The volume will appeal to all scholars with interests in music and how it is used to construct relationships in different contexts around the world Sustainable Management of Historic Settlements in Asia Niyati Jigyasu, Anjali Krishan Sharma, 2025-01-09 The book addresses the contribution of Intangible Cultural Heritage to the sustainable management of historic cities and towns Through the unique diverse and dynamic illustrations from Asia it provides insights into the interrelationships of intangible and tangible cultural attributes and their significance on the sustainability of these areas Historic cities and towns large and small along with their natural and man made environments have a distinct identity and embody the values of traditional urban cultures Evolved by tangible built forms and intangible elements as cultural practices and expressions meanings and values attributed to them they are in a state of continuous change The built environment acts as a place or a site where most of these expressions are shaped These areas are significant for their social cohesion and economic stronghold that dates back over generations and centuries Over the years there have been many theoretical discussions about the interrelationships of tangible and intangible but is challenging to manage in practice especially in historic urban areas There is a lack of understanding of the complexity and pervasiveness of intangible values and their direct relationship with the physical structure of the town city This book strives to address the various challenges emphasising the intricate relationships between the tangible and intangible aspects of historic cities in the Asian context

Soefisme Herzien Jonas Slaats, 2017-03-10 Het soefisme wordt stevast omschreven als de mystieke tak van de islam Wat meer aandacht voor deze onderbelichte spirituele kant van de islam zo stellen sommigen zou ons kunnen helpen om hedendaagse maatschappelijke vraagstukken te ontmythen Met de ene vinger wijst men dan richting islamitisch fundamentalisme als probleem en met de andere vinger naar het soefisme als oplossing Maar al zit de hedendaagse aandacht voor soefisme vol goede bedoelingen uiteindelijk laat men telkens opnieuw zien dat men weinig begrepen heeft van de islamitische mystiek De typische beschrijvingen staan bol van de misverstanden en de conclusies die eruit voortvloeien vragen om stevige nuanceringen Die misverstanden vloeien niet eenvoudigweg voort uit onschuldige onwetendheid Het zijn misverstanden die nauw verbonden zijn met enorme blinde vlekken van de gangbare kijk op religie en met prangende politieke kwesties Weinigen zijn er zich van bewust maar de wijze waarop men omgaat met mystiek in het algemeen en met soefisme in het bijzonder houden heel wat hedendaagse conflicten mee in stand Dit boek wil daarom noodzakelijke nuances

aanbrengen misverstanden corrigeren en de huidige politiek van mystiek ontbloten Het wil verduidelijken dat de groeiende interesse voor datgene wat men het soefisme noemt finaal verbonden is met zowel de actuele demonisering van Islam als met de moderne afbraak van diepgaande spiritualiteit van Oost tot West Soefisme Herzien werd in sterk verkorte versie als een hoofdstuk opgenomen in Fast Food Fatwa's Over islam moderniteit en geweld dat in 2017 verscheen bij Davidsfonds Ten opzichte van dat hoofdstuk biedt de uiteenzetting in Soefisme Herzien meer voorbeelden brengt het meer nuanceringen aan en wordt er dieper ingegaan op sommige relevante aspecten waarvoor geen plaats was in het Fast Food Fatwa's hoofdstuk
