China-Australia Free Trade Agreement Colin Picker,Heng Wang,Weiuan Zhou,2017-12-14 This book provides readers with a unique opportunity to learn about one of the new regional trade agreements RTAs the China Australia Free Trade Agreement ChAFTA that has been operational since December 2015 and is now at the forefront of the field This new agreement reflects many of the modern and up to date approaches within the international economic legal order that must now exist within a very different environment than that of the late eighties and early nineties when the World Trade Organization WTO was created The book therefore explores many new features that were not present when the WTO or early RTAs were negotiated It provides insights and lessons about new and important trade issues for the twenty first century such as the latest approaches to the regulation of investment twenty first century services and the emerging digital knowledge economy In addition this book provides new understandings of the latest RTA approaches of China and Australia The book s contributors all foremost experts on their subject matter within this field explore the inclusion of many traditional trade and investment agreement features in the ChAFTA showing their continuing relevance in modern contexts *Public Investment Plan* ,2016 **Gender Inequalities** Esra Ozdenerol,2021-02-22 Gender inequality is entrenched in the cultural political and market systems that operate at household community and national levels Global changes in market access climatic conditions and the availability of natural resources intensify disparities in income in assets and in power among genders This book aims to explain these gender dynamics at macro and micro levels through GIS and spatial analysis The first part of the book introduces key concepts of how to integrate GIS in gender inequality research The second part presents more in depth case studies carefully selected such as mapping gender based violence gender inequality in the labor force refugee mapping etc

Choosing College Michael B. Horn,Bob Moesta,2019-08-20 Cut through the noise and make better college and career choices This book is about addressing the college choosing problem The rankings metrics analytics college visits and advice that we use today to help us make these decisions are out of step with the progress individual students are trying to make They don t give students and families the information and context they need to make such a high stakes decision about whether and where to get an education Choosing College strips away the noise to help you understand why you re going to school What s driving you What are you trying to accomplish Once you know why the book will help you make better choices

The research in this book illustrates that choosing a school is complicated By constructing more than 200 mini documentaries of how students chose different postsecondary educational experiences the authors explore the motivations for how and why people make the decisions that they do at a much deeper causal level By the end you ll know why you re going and what you re really chasing The book Identifies the five different Jobs for which students hire postsecondary education Allows you to see your true options for what s next Offers guidance for how to successfully choose your pathway Illuminates how colleges and entrepreneurs can build better experiences for each Job The authors help readers understand not what job students want out of college but what Job students are hiring college to do for them
