Joint Admissions Board Uganda 2015 2016:

Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

Open Access Implications for Sustainable Social, Political, and Economic Development Jain, Priti, Mnjama, Nathan, Oladokun, O., 2020-09-18 Open access publishing can be used as a strategic tool to avail access to information and achieve universal literacy Open access has gained importance over the past 15 years by making knowledge available to all without any barrier of affordability or restrictions on using this knowledge to inform and develop Open access contributes to scientific research excellence disseminates research results to a wider community and promotes multi disciplinary and collaborative research Issues of sustainable development and open access are major concerns in librarianship and information management particularly as the international library and information management community is focusing on how to contribute to the Sustainable Development Goals Open Access Implications for Sustainable Social Political and Economic Development is a pivotal reference source that provides an understanding of the concept of open access within the context of social political and economic development and deliberates the critical issues and challenges that face the implementation of open access and its impact on the global economy and sustainable development While highlighting a broad range of topics including digital scholarship open data and ethics this book is ideally designed for librarians information science professionals government officials policymakers academicians researchers and students

Impact of Disruptive Technologies on the Socio-Economic Development of Emerging Countries Mtenzi, Fredrick Japhet, Oreku, George S., Lupiana, Dennis M., 2023-06-12 Global emergencies such as the COVID 19 pandemic and environmental concerns have challenged the readiness of societies and forced them to operate in more innovative ways In response the world has witnessed new technologies emerge and researchers continually finding better solutions to cope with these situations It is crucial that these innovations are investigated so that we may better the world during times of crisis Impact of Disruptive Technologies on the Socio Economic Development of Emerging Countries provides relevant case studies innovative disruptive applications and the latest empirical research findings in the digital technology space Additionally it

provides accounts of the design development and usage of digital solutions that have an impact on addressing societal problems in emerging economies Covering topics such as e social work social media addiction and adaptive testing this premier reference source is an essential resource for government officials entrepreneurs politicians business leaders students and educators of higher education sociologists librarians researchers and academicians **African Womanhood and the Feminist Agenda** Musingafi, Maxwell Constantine Chando,Hungwe, Chipso,2024-01-16 Within academic circles there is a longstanding issue concerning the portrayal and understanding of African womanhood Frequently these narratives are crafted by outsiders predominantly Western scholars often distorting the lived experiences and unique perspectives of African women This has led to a skewed and sometimes negative perception of African women reinforcing stereotypes and sidelining their voices in critical discussions Moreover this misrepresentation has real world consequences as it impacts social justice initiatives and development projects that rely on misguided narratives rather than the authentic voices of African women **African Womanhood and the Feminist Agenda** emerges as an essential solution to the misrepresentation of African women This comprehensive and meticulously researched book offers an alternative narrative one that is rooted in African perspectives and experiences It addresses the historical cultural and political dimensions of African womanhood providing a rich and nuanced understanding of this multifaceted topic **Public Investment Plan** ,2016
