not given and respect for cultural differences is only supported as long as it does not threaten control Ultimately this book shall present a plea for trainers and teachers of cultural knowledge to become acquainted with the limitations reflect on them and forward this knowledge to their students It shall also encourage researchers of cultural differences and other scholars to reflect and perhaps improve on it Public Relations and the Power of Creativity Sarah Bowman,Adrian Crookes,Øyvind Ihlen,Stefania Romenti,2018-10-04 This volume demonstrates a range of possibilities for creative thinking about public relations management and collaboration in different settings and with different purposes The chapters hint at opportunities point towards innovation and challenge our thinking about the power of creativity
