The *UCI Undergraduate Research Journal* welcomes the submission of manuscripts from all academic disciplines. It is expected that submissions to the *Journal* will be structured according to the established literary conventions of the discipline researched, and that manuscripts will be organized/sectioned in a manner that maximizes both the substance and clarity of the document.

There is no preset number of papers that will be accepted for publication in the *Journal*. All papers that meet our standard of excellence, regardless of how many there are and what disciplines they are from, will be published. If no submitted papers are judged to be worthy of publication, the *Journal* will not be published.

- The results are thoughtfully interpreted and thoroughly analyzed.
- Conclusions are logically supported through results and cited sources.
