## **Journalistic Writing Tips:**

**Dynamics of News Reporting and Writing** Vincent F. Filak, 2017-11-29 Journalists in today's media environment require a skill set that can be adapted to a variety of media. *Dynamics of News Reporting and Writing: Foundational Skills for a Digital Age* teaches students the foundational skills they need to successfully report and write the news in an evolving digital landscape. Author Vince F. Filak offers guidance on the essential skills of the industry while weaving in the how-to's of writing digital news. Recognizing that well-crafted stories are founded on sharp prose, this new text covers the foundational elements of newswriting such as lead writing, structure, and storytelling, while also teaching students how to think critically and determine what matters most to their readers. **Key Features:** An audience-centric approach encourages students to understand why and how news is relevant to the lives of their readers before they even start digging into their stories. **Write Now Exercises** provide students with an opportunity to immediately practice the core set of skills they have just learned and apply these skills to various platforms. **Consider This** debates spark classroom discussions by encouraging students to take a closer look at a current issue or ideological dilemma and make a valid case for their position. **Thoughts from a Pro** offer students an up-close look at a specific aspect of reporting and writing from a professional who is plying their trade each day.

**The Process of Writing News** Brian Richardson, 2007 Using examples and exercises, *The Process of Writing News* takes an impact elements and words approach to demystify reporting and writing for beginners. This is a concise book that approaches writing as a process using a pedagogy that has proven effective. In each chapter, the book addresses the roles of journalists at several levels of abstraction, beginning with their responsibilities to audiences in a democratic society and continuing with ethical decision making in fulfilling those responsibilities. Each chapter ends with reporting and writing exercises which allow the reader to develop skills for informing audiences and telling compelling stories in print, broadcast, and online news media, and to practice and be evaluated on those skills. The reader is taken through a year in the life of a fictional community, revisiting issues and stories in a series of more than two dozen linked exercises of increasing complexity, from lede writing to handling a major breaking story on deadline. There are even opportunities to report and write from the reader's own community.
