	The Kotliar Committee Report on Recruitment Policy and Selection Methods interlaid	166
	recommended a major change in the examination system. They recommended a two stage	259
	examination process a preliminary examination followed by a main examination. This Committee	352
	also suggested changes in the training pattern for the civil services. The Fifth Central Pay	445
	Commission suggested that employment on contract basis should be encouraged and Government	544
	employees should have the right to retain their services for two years in case they wish to migrate to	646
	the private sector. This is to be done through devolution of functions, funds and functionaries. This	742
	exercise has to cover the entire range of subjects as mentioned in the Eleventh Schedule of the	841
	Constitution. Most of the States have already assigned a majority of the important subjects to the	939
	Panchayats. Some of the States have even gone to the extent of devolving all the subjects through	1043
	the state act itself. But, in practice such transfers have remained incomplete. Firstly, there has been	1141
	lack of rational thinking as to which of the disaggregated activities, based on considerations of	1240
	economies of scale, efficiency, capacity, enforceability and proximity, ought to be devolved. This	1335
	has led to overlapping jurisdiction of different tiers of government. This situation seriously	1433
	undermines accountability. Secondly, in many cases, while States assign responsibilities to local	1531
	governments, they leave the performance of key activities and sub-activities necessary to deliver	1630
	such devolved services with State line agencies. Though the problems of Indian agriculture and the	1614
	causes of distress of farmers are not matters within the purview of this commission, it is clear that	1732
	the difficulties of the agrarian community have the potential of engendering serious conflicts.
