Finally a full description of the species and salient features of each subspecies is given together with measurements and references. Sunbirds not only aids identification it provides a wealth of information on the ecology and behaviour of these birds. The authors have carried out extensive fieldwork in Asia and Africa. They have also studied skins nests and eggs held by museums analysed tape recordings and critically reviewed the vast amount of material contained in books and scientific journals. The superb plates would not have been possible without the exhaustive study of specimens which together with the use of photographs of living birds has resulted in the artist Richard Allen capturing the essence of the birds their jizz and accurately portraying the beautiful bright often iridescent plumages of these spectacular families. *Standard Catalog of Pontiac, 1926-2002* John Gunnell, 2012-02-20 In Standard Catalog of Pontiac 1926-2002 collectors can speed through thousands of listings to obtain specifications production data and serial number information for their favorite Pontiacs.
