GENERAL INFORMATION

PERIODIC CHECKUP

After 20 hours or 3 months of operation, whichever first occurs, an inspection should be performed by an Authorized Dealer at local rates and paid for by the owner. After the 20-hour check, your outboard should be taken to an Authorized Dealer every six months or 100 hours of operation — or at least once each year — for lube change, tuneup, etc.

To find the Authorized Service facilities in your locality, or when traveling, refer to the classified pages in the local telephone directory under "Outboard Motors."

SERVICE RECOMMENDATIONS

This publication includes operating and service instructions for your outboard motor.

The owner is advised not to attempt repairs which are not specifically covered in this book. Other repairs, particularly those which require disassembly or replacement of internal

parts, should be done only by Authorized Service facilities which have the necessary factory-designed tools and equipment, plus the knowledge and experience required to do the job correctly and economically.

MOTOR AND BOAT INSURANCE

See your local insurance agent for motor and boat protection which covers damage, theft, liability for property damage and personal injury to others.
