Offices and Railway Stations ... Adams Express Company,1890 New Governance and the Transformation of European
Law Mark Dawson,2011-10-27 The development of non binding new governance methods has challenged the traditional
ideals of EU law by suggesting that soft norms and executive networks may provide a viable alternative Rather than see law
and new governance as oppositional projects Mark Dawson argues that new governance can be seen as an example of legal
transformation in which soft norms and hard law institutions begin to cohabit and interact He charts this transformation by
analysing the Open Method of Coordination OMC for Social Inclusion and Protection While this process illustrates some of
the concrete advantages for EU social policy which new governance has brought it also illustrates their extensive legitimacy
challenges Methods like the OMC have both excluded traditional institutions such as Courts and Parliaments and altered the
boundaries of domestic constitutional frameworks The book concludes with some practical suggestions for how a political
constitutionalisation of new governance could look The Guide to High-performance Powerboating Joanne A.
