Joint Admissions Board Uganda:

Uganda Thomas P Ofcansky,1999-04-20 A study of the political economic and social themes that have shaped Ugandan history The author also explores the successes failures and prospects of the country s current government and discusses the difficulties facing a nation divided by ethnic religious and regional cleavages

Politics and higher education in East Africa from the 1920s to 1970 Bhekithemba R. Mngomezulu,2012-01-01 The main objective of this book is to establish the salient reasons why higher education was developed in East Africa and specifically why the Federal University of East Africa was constituted The book will identify the factors responsible for the collapse of this regional institution in June 1970 Another objective of this book is to demonstrate how the history of the University of East Africa sheds light on colonial and post colonial policies on education especially higher education as a contribution to educational planning in contemporary Africa

Strengthening Uganda's Policy Environment for Investing in University Development ,1993 In recent years Makerere University has experienced increasing student and staff unrest The academic community is demoralized by tight government controls on spending especially by inaction on staff salary demands Donor support will not be forthcoming without broad policy reform in higher education rather than piecemeal reform

Cost Sharing in Public Higher Education Institutions in Ethiopia with Special Emphasis on Addis Ababa and Adama Universities Wanna Leka,Desalegn Chalchisa,2012 The main purpose of this study was to investigate the impact of cost sharing scheme in enhancing revenue generation in public higher education in Ethiopia in order to improve the quality of the teaching and learning environment Furthermore the study has attempted to assess problems challenges experienced by students as well as other government bodies related to cost sharing scheme To this effect both quantitative and qualitative research approaches were used

Financing Higher Education in Africa World Bank,2010-04-21 The training and development of human capital in Sub Saharan Africa SSA will help countries in the region diversify their economies carry out economic transformation and support sustainable growth Higher education plays a key role in training qualified individuals who will be able to implement new technologies and use innovative methods to establish cost efficient and effective enterprises and institutions However in order for SSA to reap the benefits of this investment in human capital higher education institutions must secure financing to provide quality training and sound professional prospects to their students Currently tertiary education development is unsustainable resources per student are declining and the quality of education is affected These issues are particularly pressing in times of financial global crisis when available resources for tertiary education tend to diminish The impact of the crisis that started in 2008 provides a clear illustration of the need to explore innovative ways to diversify and secure financing for higher education in SSA Financing Higher Education in Africa

provides a comprehensive overview of higher education financing in SSA The book begins with an explanation of the fundamental problems faced by higher education institutions and students in SSA namely the combined pressure of a rapid growth in demand and a growing scarcity of public resources and it presents the dramatic consequences of these trends on quality The book then turns to analyzing and comparing the current funding policies in SSA countries and it provides recommendations for improvement Finally the book examines the alternatives to the status quo and the policy tools needed to both diversify resources and allocate them based on performance It will be of great interest to governments universities research institutions and international organizations throughout the region
