Avec le double souci de mettre ces documents dans une perspective historique et de porter témoignage l'auteur brosse un tableau humaniste de la vie de ces hommes et de ces femmes qui ont subi les preuves de la Seconde guerre mondiale. Ce tome 2 est consacré aux prisonniers de guerre et leurs familles alors que la France était occupée.

Obligée de se faire opérer de la hanche elle doit rester quatre semaines en convalescence loin de sa maison et de son petit Jojo. Pauvre Jojo. Afin de ne pas manquer l'école il est obligé pendant un mois d'aller vivre dans un pensionnat, la grande ville. Pauvre directeur. Quatre semaines avec un tel pensionnaire il peut dire adieu à sa tranquillité. when an elastic material is deformed due to an external force it experiences internal resistance to the deformation and restores it to its original state if the external force is no longer applied there are various elastic moduli such as young s modulus the shear modulus and the bulk modulus all of which are measures of the inherent elastic properties of a material as a resistance to deformation under an applied load the various moduli apply to different kinds of deformation
