continue his mission It is the most difficult and controversial mission he has ever undertaken a plan to unite Arab and Jewish Americans and to work with them to resolve the bitter wars and religious animosities in the Middle East Peopled with prominent figures such as Ariel Sharon and moving from Washington to Beirut and then to Oslo while the peace accords are being hammered out Joshua in a Troubled World explores the most explosive issues of our day and offers a realistic compassionate assessment of the things that divide us and the beliefs that can serve as a foundation for a new more peaceful world
