Joshua Irving L. Jensen, 1991-08 Exploring the Bible s message is easy and exciting with these complete do it yourself Bible study guides Each study includes helpful outlines charts maps diagrams and explanations For personal group or classroom use **Joshua: An Introduction and Study Guide** James Gordon McConville, 2017-01-12 The book of Joshua

with its memorable images of the crossing of the River Jordan and the miraculous conquest of the city of Jericho plays an important part in the Old Testament's narrative and theology of God's promise and gift of the land of Canaan to Israel. In this guide Gordon McConville considers the various aspects of interpreting Joshua including questions of its origins and occasion, its literary formation and its theology. He also looks squarely at the difficulties it poses to the modern reader and the dangers of simplistic interpretations especially when allied with power systems. Yet among the possible approaches to Joshua certain readings suggest unexpected messages and with the book's memorable central image of crossing a river in an escape from tyranny into new life it can prompt fruitful reflection on other crossings perhaps helping us to overcome the deepest human hostilities.

Explore the Bible: Joshua - Study Guide Tony Evans, 2020-08 Discover how faith in God and trust in His promises can lead to abundant blessing.

Joshua Donald Baker, 1999-01-22 In this twelve session LifeGuide Bible Study on Joshua reads like an exciting novel from the miraculous crossing of the Jordan to the crash of the walls of Jericho and the sun stopping in the sky. Through all the twists and turns you'll witness God's power and faithfulness. Digging into the story of Joshua will encourage you to persevere in your own daily battles and arm you with the most powerful weapons you'll ever need: God's promises.

A Joshua Generation Molly Hardin, 2015-11-25 Joshua's life journey held hardships, tests, and devastation. As he faced these difficult times he experienced pressure to compromise his faith in God and his determination to see a promise fulfilled. A glimpse of Joshua's life is captured over a span of five books that record his growth from captive to soldier to servant to leader through triumph and failures during this lifelong journey. Today's world is desperate for students to go to their schools, their homes, their communities, and even their churches and stand on the boundary lines and declare that they shall not be moved. Someone who will shout above the chaos proclaiming that the answers are in black and white and they will offer no compromise. This culture is hopeless until our youth draw the line in the sand teaching the truth about what is right and what is wrong, not diluting it with the shifting standards of this world. If you have ever experienced the absence of moral leadership and have felt that you were too young to make a difference, this study is just for you. Join Molly Hardin in this eight-week interactive study as she shows how the youth of today can take on the responsibility of effective leadership. Hardin has taken practical leadership strategies and combined them with the life example of Joshua, compiling a curriculum for young people to use as a guide for developing their God-given gifts to lead their generation.

A Joshua Generation: A Study Guide challenges young men and women to develop into the leaders that God created and destined them to be.
