WHAT HOBBY OR TALENT DO YOU HAVE?

"I love to play basketball. It has brought so much joy to me. Little kids come up to me and ask if I can dunk and I show them. I started playing basketball in the seventh grade. I had always wanted to play. I just never had the chance to when I was younger. I can also play instruments. I play piano, drums, guitar and bass. I also sing a little bit. I have been playing piano since I

was about eight. I taught myself. I play at my church so people posted me on social media leading to people asking questions about how I do that and then I'd post on my social media. People always come up to me asking questions about it."

WHAT HOBBY OR TALENT DO YOU HAVE?

"Technically, it is more than one hobby, but you can group them together. I love to do things with yarn, I love to crochet, knit and I am learning to sew stitch, but I am not very good at it yet. I have been doing it since before COVID 19 hit sophomore year. It isn't that attractive to people, but it's kind of cool and I really enjoy doing it. It brings me a lot of peace of mind and it's really good to unwind after a day and I really recommend it to people to try. My mother had always loved crocheting, but she had recently stopped before I started. I took an

interest in it because I love my mom. I made this really cute, huge table cloth that is hung on my wall because I am so proud of it. It took me months to make. I had to take a break from crocheting after it."

"I loved doing crocheting TUTORIALS AND it's probably the best way to learn. I RECOMMEND looking for books or a video or something."
