

MATH

by Ettie Christian-Bowling

Why do we need math?

Because it puts us on a narrow path.
Even though it sometimes makes you
swell up in wrath.

To most,

Math just causes you stress,

But that's not the case.

It's a worker's base,

Math is in every place.

Math doesn't have a realistic face,

But when it is used,

It leaves a remarkable trace!

**WE ARE
TEACHERS**
