

My friend
Oh, my brother
I hope this finds you well
I'm doing good
I met a girl
You'd get along like a house on fire
I think about when times were hard
We'd sit and not say a word
Share a drink or three, just keeping company
And know the other one was there
So thank you for all that you did
The times you saved me from myself
Thank you for lifting me up
When I thought the world had won
You're miles away from where you lay down to sleep
I can't believe it's been so many years
And while I wish that you were here
I hope you're feeling better
Knowing that all of us are missing you from miles away
if only you were here to see
The man I've grown to be
Traded the bottle for a home
And try terrors of my own
I wish that you could meet them
A few kids and a wife
I found that perfect life
We always talked about, they'll always know your name
I wanna thank you for all that you did
For the times you saved me from myself
So thank you for all that you said
When I thought my world was done
You're miles away from where you lay down to sleep
