

The background of the entire image features three shirtless men. The man in the center is looking directly at the camera with a serious expression. To his left, another man is shown in profile, looking towards the right. To the right, a third man is looking towards the camera. They are standing in front of a large, ornate classical building with many columns, possibly a museum or a government building, under a dark sky.

fell in love and moved into Matt's father's house. Matt had disliked Sam from day one and Sam returned the feeling. After they left home, they avoided each other unless their parents insisted they drop by. Guess you won't care when I show this to your mother along with all the porn I found. Matt asked, "It's illegal to break into someone else's laptop." Matt: "It wasn't locked, stupid. You left it on the kitchen table. Anyone could have seen what shit you're into." Sam knew that the butt plug had been in his suitcase, hidden beneath all his clothes. That one is probably one of yours, Sam said, and pointed to the butt plug. Matt grinned at him. Who do you think they will believe, me or the sissy boy that everybody knows is gay? Guess you might lose that nice stack of money they keep putting in your account every month. What will you do then? Move to a cheaper apartment or start selling your ass on the streets? I can get a job, Matt laughed. Yeah, sure. As if anyone will hire an art student. I bet the jobs are plenty. Still, you're not that bad looking. I guess you can get a job as an escort or sex worker. Maybe even in the porn industry since you're above the legal age. Sam sighed. Of all the nonsense coming from his older stepbrother's mouth, this was fouler than what he usually sprouted. What the fuck is wrong with you, Matt? Hey, I'm just giving you the facts. Sure. Whatever. Sam turned away, ignoring him with purpose, as he opened the fridge and looked for something to eat. He felt Matt step closer, breathing him down the neck. It felt both creepy and arousing at the same time. Sam wanted his mind to forget what Matt looked like. The reminder never did him any good, nor would it be wise to show Matt any sign of how Sam liked to watch him. His toned skin and muscular build gave him plenty of attention from both men and women. I'm willing to keep quiet about your little secret, Matt said. Sam stiffened. He knew there was a but coming. Matt knew he had Sam's attention as he kept talking. But only if you give me what I want.
