Keeping Maree A Breast Cancer Journey:

Keeping Maree Michael Leddin, 2014-11-19 I walked out of the house that day because life held little or no meaning for me anymore It was trying to destroy one of the best parts of who I was and it expected me to sit down smile and accept it We had learned to live with this goddamned thing for so many years and I had had enough I was tired of being the son of a mother who was constantly sick I d had enough of hearing people label us the family with amazing courage and hope I didn t want that anymore Why couldn t we be a family without it I fell to my knees and hammered the ground with my fist until I drew blood Quit destroying what she loves I pleaded Her marriage Her kids We need her We ve learned from this experience Please please just change this day As a young child Maree watched in confusion and sadness as her loving mother fought and ultimately lost her battle with breast cancer This incomparable loss drew Maree and her older brother Mick close in a powerful lifelong bond neither aware that in years to come Mick would once again be by Maree s side as she fought her own battle At the age of thirty one Maree Leddin was diagnosed with breast cancer She displayed phenomenal mental strength in refusing to give into the disease She had lost her own mother and she was determined that her own children would not go through the same thing Utterly committed to beating the odds she endured countless treatments multiple recurrences of the cancer and immense pain surviving and living life to the full for a remarkable nineteen years before her body said enough Through the eyes and words of an adoring son we see what this remarkable loving family did to keep Maree *Surviving the Dips of My Unexpected Journey* Sunshine MaRee, 2019-02-22 A truthful story based on strength faith and Hope Through the dips and the valleys in life no matter the challenges you can make it through even the weakest and most challenging experience in life this book reveals how taking ownership of your choices both good and bad and taking hold of God s hand you can make it through **Cancer Forum** ,1997 *Breast Cancer: the Unplanned Journey* Beverly Stacy Dittmer, 2011-09-29 **Breast Cancer** Annette Richard, 2017-01-10 You Just Got Diagnosed With Breast Cancer and You Need Answers and Guidance Now If you re a tightrope walker you never look down Where your eyes go so goes your body If you race cars it s the same thing You only look where you want to go If you look at the wall that s where you will end up In Dr Annette Richard s book *Breast Cancer There s Something I Need to Get Off My Chest* she shows you have to put the blinders on when first receiving a breast cancer diagnosis by looking forward at some fabulous imagined future for yourself Instead of imagining the worst Dr Richards explains how you should put being done with your treatment in your imagination instead Relaxing with family and loved ones and saying Wow I m amazing I did this I m empowered I advocated I am a survivor In this book Dr Richards explains how many women after surviving breast cancer want to give back they want to help other women They feel stronger than when they were first diagnosed and they want to help others feel the same way That is where you really want to imagine yourself Not all the little side steps along the way but whatever that picture is for you Come up with an imagined future where this is over and you are stronger than when you first started and keep that the focus of your

journey The author s greatest wish for you is for you to become your own self advocate and become empowered during your breast cancer journey **Doing It Differently** Patryce Sheppard,2021-06-25 A breast cancer diagnosis is one of the most challenging experiences a woman can face in her lifetime The turbulence it causes ripples through her life and the lives of all those who love care for and depend upon her Suddenly all her attention and energy must be directed toward her own survival and recovery Shouldering this burden can be crushing but not if she does it differently What does doing it differently look like Breast cancer survivor Patryce Sheppard guides newly diagnosed women through the many stages what she terms the dots in the constellation from discovery through destiny In this book you will learn not only practical tips and information for not only surviving but thriving through these moments on the breast cancer journey but the spirit attitude and habits of mind that can shape the journey into the path to discovering your deepest most resilient self and the shining destiny that will unfold before you when you do it differently This book is designed to work with its companion journal and workbook which offer women reflections and exercises at each stage to not only document the challenges and triumphs of the breast cancer journey but also to discover and define the survivor that you are Keeping You Abreast Ann Damron,2016-08-17 Ann Damron s account of her life detour through breast cancer told with honesty humor and love Based on her blog posts originally designed to keep family and friends apprised of her ongoing treatment the book takes the reader step by step through her diagnosis treatment and beyond **From There to Here** Diane Davies,2005-08 A Survivor's Guide for the Breast Cancer Journey Kim Regenhard,2008-04-01 If a woman is diagnosed with breast cancer the best thing she can do is Plan to live When a woman receives a breast cancer diagnosis she finds herself at the start of a journey that will be marked by numerous decisions doctor visits tests treatments reports medications side effects and stress as well as a unique range of emotions and personal life demands that can make normal life seem like a luxury or distant memory A Survivor s Guide for the Breast Cancer Journey An Organizer and Handbook for the Newly Diagnosed is a unique organizer and guide that helps women newly diagnosed with cancer understand organize plan and record their journey from cancer diagnosis to recovery so that they are well organized well informed and better able to make critical decisions that can affect their chances of survival and so that women in the midst of breast cancer treatment can have time and energy to focus on what really matters the people they love and becoming well **In the Company of My Sisters** Karen Eubanks Jackson,2020-10-29 Dance as though no one is watching you Love as though you have never been hurt Sing as though no one can hear you Live as though heaven is here on earth Anonymous For millions of women the words You have breast cancer are a harsh reality For Black women those words hit especially hard as the mortality rate for Black women is staggering It s a battle Karen Eubanks Jackson knows all too well A FOUR time breast cancer survivor Jackson has used her triumphs tragedies and lessons learned to inspire others Now she s sharing it all in this evocative new book In the Company of My Sisters First diagnosed in 1993 Jackson knew little about the disease despite the fact that she d had a relative die from breast cancer It was after all a silent

shame the family kept Determined to educate herself Jackson devoured herself in research And when she couldn't find information or support specifically for Black women she set out to fill that void creating Sisters Network Inc the only national survivorship run organization designed to increase local and national attention to the devastating impact that breast cancer has in the Black community In the Company of My Sisters is Jackson's story Her truth in battling the disease for 27 years How she survived How she succeeded and built a national sisterhood of Black breast cancer survivors How she hopes to continue inspiring and educating others along the way The book is filled with personal experiences and observations from Jackson as well as other survivors this book will give insight into what shaped Jackson into a woman able to beat breast cancer again and again and again And with all the valuable information Jackson has accumulated over the years the book will also serve as a one stop resource for all your breast cancer questions For those battling breast cancer those walking the journey with survivors and those who just want to educate themselves In the Company of My Sisters will inspire you by the beauty and strength of the human spirit and why Jackson has made it her life's mission change the course of the narrative surrounding the disease and help Black women take action to beat breast cancer **Keeping It Real** Laura
