But at the end of many events, most sellers have not accomplished their goal. Before you even hold a yard sale, be sure to steer clear of violating any ordinances. Go to your town or city hall and check if you need a license. This will be an operating expense just like advertising and promotional costs. But once you take care of it, the selling can begin. In this step-by-step guidebook, you will learn the sales techniques that will make people buy, the appropriate pricing to help your items sell, the importance of having stoppers that will generate a crowd, the strategies to beat your yard sale competitors, and maximize profits. Written by Enock Lynn Norrbom, who has been generating revenue from yard sales for decades, this guide offers a better understanding of how selling at yard sales can be a serious home-based business that generates income.
