the gritty backdrop of New York City in the late 1960s The film received widespread critical acclaim upon its release becoming the only X rated film to the win the Academy Award for Best Picture James Kendrick argues that this film more so than its notable contemporaries captures the immense turmoil change and revolution that was taking place both in Hollywood and in the larger American culture of the late 1960s He explores the film's production reception visual and thematic innovation and cultural impact not only its ground breaking portrayal of sexuality and relationships but also its exploration of themes of urban loneliness and socio economic disparity Through close analysis of the film and examination of articles press reports interviews and reviews from the five decades following its release Kendrick shows how Midnight Cowboy with its mix of visual poetry documentary like realism fragmentary flashbacks and unvarnished depiction of desperate characters on the fringes of society offers a unique focal point for the intersection of European art cinema and the new parameters of mainstream Hollywood at the end of the classic era Shooting Midnight Cowboy Glenn Frankel, 2021-03-16 Much more than a page turner It s the first essential work of cultural history of the new decade Charles Kaiser The Guardian One of The Washington Post s 50 best nonfiction books of 2021 A Publishers Weekly best book of 2021 The Pulitzer Prize winning journalist and New York Times bestselling author of the behind the scenes explorations of the classic American Westerns High Noon and The Searchers now reveals the history of the controversial 1969 Oscar winning film that signaled a dramatic shift in American popular culture Director John Schlesinger's Darling was nominated for five Academy Awards and introduced the world to the transcendently talented Julie Christie Suddenly the toast of Hollywood Schlesinger used his newfound clout to film an expensive Panavision adaptation of Far from the Madding Crowd Expectations were huge making the movie's complete critical and commercial failure even more devastating and Schlesinger suddenly found himself persona non grata in the Hollywood circles he had hoped to conquer Given his recent travails Schlesinger's next project seemed doubly daring bordering on foolish James Leo Herlihy's novel Midnight Cowboy about a Texas hustler trying to survive on the mean streets of 1960 s New York was dark and transgressive Perhaps something about the book s unsparing portrait of cultural alienation resonated with him His decision to film it began one of the unlikelier convergences in cinematic history centered around a city that seemed at first glance as unwelcoming as Herlihy's novel itself Glenn Frankel s Shooting Midnight Cowboy tells the story of a modern classic that by all accounts should never have become one in the first place The film's boundary pushing subject matter homosexuality prostitution sexual assault earned it an X rating when it first appeared in cinemas in 1969 For Midnight Cowboy Schlesinger who had never made a film in the United States enlisted Jerome Hellman a producer coming off his own recent flop and smarting from a failed marriage and Waldo Salt a formerly blacklisted screenwriter with a tortured past The decision to shoot on location in New York at a time when the city was approaching its gritty nadir backfired when a sanitation strike filled Manhattan with garbage fires and fears of dysentery Much more than a history of Schlesinger's film Shooting Midnight Cowboy is an arresting glimpse into the world from which

it emerged a troubled city that nurtured the talents and ambitions of the pioneering Polish cinematographer Adam Holender and legendary casting director Marion Dougherty who discovered both Dustin Hoffman and Jon Voight and supported them for the roles of Ratso Rizzo and Joe Buck leading to one of the most intensely moving joint performances ever to appear on screen We follow Herlihy himself as he moves from the experimental confines of Black Mountain College to the theatres of Broadway influenced by close relationships with Tennessee Williams and Ana's Nin and yet unable to find lasting literary success By turns madcap and serious and enriched by interviews with Hoffman Voight and others Shooting Midnight Cowboy Art Sex Loneliness Liberation and the Making of a Dark Classic is not only the definitive account of the film that unleashed a new wave of innovation in American cinema but also the story of a country and an industry beginning to break free from decades of cultural and sexual repression Making a Life Melanie Falick, 2019-10-29 A Publishers Weekly Best Book of 2019 Why do we make things by hand And why do we make them beautiful Led by the question of why working with our hands remains vital and valuable in the modern world author and maker Melanie Falick went on a transformative inspiring journey Traveling across continents she met quilters and potters weavers and painters metalsmiths printmakers woodworkers and more and uncovered truths that have been speaking to us for millennia yet feel urgently relevant today We make in order to slow down To connect with others To express ideas and emotions feel competent create something tangible and long lasting And to feed the soul In revealing stories and gorgeous original photographs Making a Life captures all the joy of making and the power it has to give our lives authenticity and meaning Russ Ellis, Dreaming in Color, 2014
