**Plagues of the Heart** Michelle Boule,2017-07-27 Dora Aello descendant of brutal harpies has built a life in Turning Creek where she can use her hands to bring healing instead of pain to others Her new life helps her control the mistakes of her violent past but Dora is afraid she will not be able to keep them at bay forever With the blood of healers in his veins Lee Williams could use his power over life and death as a way to gain wealth and social standing but that was his father s way not his He has come to Turning Creek to start over and prove that he is worthy to bear the burden of the power of Asclepius An ancient evil is unleashed on Turning Creek and it ravages the residents with a cascade of misfortunes To save the town they call home Dora and Lee must race to find the source of destruction and stop it before all is lost Dora will have to relinquish the control of her nature and come to terms with her own desires or risk losing the lives of everyone she loves **Summary**
