anonymous letter that points out alarming similarities between the murder and Jack the Ripper's first murder a letter that calls out Lacey by name If it's real and they have a killer bent on re-creating London's bloody past history shows they have just five days until the next attempt No one believes the connections are anything more than a sadistic killer's game not even Lacey whom the killer seems to be taunting specifically However as they investigate the details of the case start reminding her more and more of a part of her past she'd rather keep hidden And the only way to do that is to catch the killer herself Fast-paced and completely riveting S J Bolton's *Now You See Me* is a modern gothic novel that is nothing less than a masterpiece of suspense fiction A Kirkus Reviews Best of 2011 Mysteries title and one of Library Journal's Best Mystery Books of 2011 Dead Scared Sharon Bolton, 2012-04-26 A pulse-pounding spine-tingling thriller perfect for fans of Lisa Jewell, Cara Hunter and Karin Slaughter from million-copy bestselling author Sharon Bolton Mesmerising The Times Treading a fine line between horror and thriller seriously rich yet relentlessly disturbing Daily Mirror Managed to keep me on tenterhooks right up to the thrilling end Reader review A haunting and disturbing read that was very difficult to put down Reader review A perfect mix of thrills gasps and plot twists Reader review *SOMEONE IS WATCHING YOU* A series of suicides Each one a female university student Each one more horrifying than the last The police know it cannot be coincidence But they can't prove it They need someone to go undercover A young policewoman as vulnerable as the others As unprepared for the nightmare that will greet her Watch your back Lacey Flint *The Neighbour's Secret* Sharon Bolton, 2024-11-07 A new job A new home A new start It's all Anna wants But in a closed rural community strange traditions and a suspicion of outsiders mean everything is not as it seems Three teenage girls have vanished at the annual Gathering as they reach their sixteenth birthday No one seems to be investigating And a fourth girl begs Anna for help fearing that she will be next to disappear Everyone has secrets Anna is watching everyone But who is watching Anna An unpredictable and wild page-turner with shocks surprises and a killer twist for a finale Dead Scared Sharon Bolton, 2012-06-05 When a rash of suicides tears through Cambridge University DI Mark Joesbury recruits DC Lacey Flint to go undercover as a student to investigate Although each student's death appears to be a suicide the psychological histories social networks and online activities of the students involved share remarkable similarities and the London police are not convinced that the victims acted alone They believe that someone might be preying on lonely and insecure students and either encouraging them to take their own lives or actually luring them to their deaths As long as Lacey can play the role of a vulnerable young woman she may be able to stop these deaths but is it just a role for her With her fragile past is she drawing out the killers or is she herself being drawn into a deadly game where she's a perfect victim Dark and compelling S J Bolton's latest thriller a follow-up to the acclaimed *Now You See Me* is another work of brilliant psychological suspense that plumbs the most sinister depths The Fake Wife Sharon Bolton, 2023-11-09 I honestly believe this is one of the best books that I've read this year NetGalley Reviewer You're not who you say you are But neither is she Olive Anderson has accepted that tonight she'll be dining alone
