Naked Republicans A Fullfrontal Exposure Of Rightwing Hypocrisy And Greed:

Naked Republicans Shelley Lewis,2006 This hilarious collection of recent Right wing political snafus is a liberal retort to the bestselling Do As I Say **Naked Republicans** Shelley Lewis,2006-09-19 Shelley Lewis figured out a way to make me laugh out loud at adultery corruption bribery prevarication hypocrisy pumpkin shooting race baiting insanity cat murder and filthy groping old men Naked Republicans is an instruction manual for the things you can get away with and still keep your job in Washington D C Rachel Maddow Air America Radio Naked Republicans is the expos you ve been waiting for From Cheney to Condi from DeLay to the Dukester from Newt to Rummy these are the weasels wackos and wingnuts who turned the party of Lincoln into a five kegger blowout For the first time in one hilarious roundup Shelley Lewis reveals the naked truth about the fiscal conservatives who spend money like they print it themselves oh right they do the pious pols who regard the institution of marriage so highly they ve moved on to their second and third wives and the deceitful dissemblers who ve earned a place in the Hall of Shame In these troubled times when you don t know whether to laugh or cry Naked Republicans puts the hip back in hypocrisy and restores the fun to fundamentalism If you crave a hilarious expos of the weasels who need to be sent home from Washington you need to buy this book Katrina vanden Heuvel editor and publisher The Nation BACK

Five Lessons I Didn't Learn From Breast Cancer (And One BigOne I Did) Shelley Lewis,2008-05-06 An irreverent funny compassionate look at what having breast cancer means and what it doesn t From the pink ribbons to the websites that sell related accessories and stuffed animals breast cancer has morphed from a disease to an experience And at every step of the way society tells women that this experience can teach them profound lessons and maybe even give them a peek at the meaning of life But what if it doesn t Before Shelley Lewis got breast cancer she was a smart edgy network producer After the long month of treatment ended she was still a smart edgy network producer The cancer was gone but in its place there was no epiphany no new perspective on life Lewis found that for herself and other women breast cancer was many things but it was not necessarily an opportunity for self improvement It didn t teach them lessons but surviving it did draw on hard won life lessons they d already learned A wonderful interweaving of the author s personal story interviews with breast cancer survivors and a sharp eyed journalist s look at the breast cancer community this book is full of unconventional wisdom unexpected advice and hilarious observations about life inside the pink bubble Liberty Means Freedom for All Steven H. Propp,2012-11 Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science It s an election year and as a young progressive in California who has been raised by equally progressive parents he is very much concerned with the political issues currently being discussed in the mass media A chance encounter with a fellow graduate named Kelly Kelso however shakes up his sett led view of the world He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative

Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rand's philosophy of Objectivism. His explorations grow wider now encompassing the Tea Party movement and the Christian Right tax resisters and gun rights advocates survivalists and militia members anarchists communists and Democratic Socialists as well as the Occupy Wall Street movement. He debates the radical environmental views of animal welfare and animal rights advocates and challenges opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting ideas and opposition. But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved. **Critical Thinking 101** Luis Bernardo Mercado, 2012-04-17 Critical Thinking 101 is meant to assist the American Voter in selecting candidates based on important key information. In the United States of America we have the opportunity to select people to represent us in local state and national government. The privilege of voting must be taken seriously since our choices impact nearly every aspect of our life. Therefore we should to the best of our ability become informed citizens so that we may vote in our best interest to the fullest extent possible. This book explores numerous topics which will enhance the readers awareness of the issues and provides a concise range of ideas that will stimulate critical thinking. Also included are several chapters which will present useful information of specific health and daily management issues. **Citizen Newt** Craig Shirley, 2017-08-29 The definitive authorized biography of one of the most important provocative and visionary political figures of our time. In one way or another Newt Gingrich has been leading a revolution for most of his life. Citizen Newt is the definitive account of that struggle. Writing with the full cooperation of Speaker Gingrich and the players around him New York Times bestselling author Craig Shirley captures the events ideas failures and successes of Newton Leroy Gingrich one of the most complex influential and durable political figures of our time. Returning to Gingrich's childhood in Pennsylvania and his formative years as a young history professor Citizen Newt moves through Gingrich's first forays into politics and takes readers behind the scenes of the Congressman's crucial role in the Reagan Revolution his battles with George H W Bush and Bill Clinton and his masterly orchestration of 1994's Gingrich Revolution and the Contract with America which catapulted him to national prominence and forever changed congressional and national politics. Drawing upon untold stories from Gingrich and those who know him best political allies and opponents Washington insiders and political iconoclasts Capitol Hill staffers and colleagues Shirley has crafted a fascinating humorous humanizing and insightful account of a true American original. **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007** Jeff Herman, 2006-12 Presents a guide to the names and specialties of American and Canadian publishers editors and literary agents including information on the acquisition process and on choosing literary agents. **American Book Publishing Record**, 2006
