

Letter to the Principal

Your school has recently been awarded money from the local government. The principal is considering whether to buy new sports and play equipment or to use the money to purchase more technology, such as tablets and computers. What do you think? What is more important and why?

Write a persuasive letter to the principal, trying to convince them of your ideas.

Here are you:

- act as a mediator, what you like most or neither of your arguments
- support your reasons by explaining and giving reasons
- and add a conclusion which summarizes your argument

Remember to:

- plan your writing
- use paragraphs to organize your ideas
