

# Travelling To Australia

My visit to Australia last year was a fascinating experience. People say Australia is blessed with a wonderful mix of plants and animals. There are a lot of places in Australia where we can travel. There are also many beautiful beaches. That's the reason I went to Australia.

My first impression of Australia was western architecture, comfortable lifestyles and pleasant people. Sydney is made up of many exciting areas, each with its own flavour and personality. I caught a ferry from Circular Quay to explore Sydney's beautiful harbour and visited Australia's best known landmarks, the Sydney Opera House, Harbor Bridge, Darling Harbor, Chinatown, Kings Cross and Bondi Beach.

Fraser Island has a truly amazing collection of natural wonders including beautiful rainforests, clear lakes and endless surf on the beaches. We borrowed a four wheel drive car and drove around the island. We enjoyed a barbecue and swam at the beach together. We had an awesome time. I wanted to talk with them and make friends with them a little more closely, but I couldn't speak a word of English. I always was quiet and didn't understand what they said. What a shame!

I worked on a farm at Bowen for a week. Bowen has been given many names, including "gem of the coral coast" and "the climate capital of Australia". It has many farms. To work on a farm is very difficult. Almost all the people there were working to save travel costs. I also did this. It helped me understand the value of money.

By travelling I felt that the world is small. I realized that I have to study English very hard to be an international person. I didn't speak English well, so I often lost my way. I heard that Australians think of nature first of all when they build a building. They think about animals and plants. I'm very impressed by it. Most of all, I learned about the Australians' kindness and love of nature. Whenever I see Australia, I want to travel to Australia again. I miss Australia.
