Master Key System Centenary Edition:

The Master Key System - Centenary Edition Helmar Rudolph, Charles Haanel, 2012-04-12 The revised 2017 Edition including 12 hours of video by Helmar Rudolph as well as over 50 emails accompanying you for your six months of studying. This is no ordinary book; it is a life-changing course. In 24 weekly lessons, there never were 28 as some claim. Charles Haanel elucidates on the Creative Principle and how you can bring yourself into alignment with Natural Universal Laws that underlie all of Creation. Each of the 24 chapters contains an exercise which is crucial to your success as well as a final Q & A session. Frankly, there is no book available that is more precise and concise in explaining who you are and how you can tap into the amazing potential that you have at your disposal. There is no book more practical and powerful in unlocking this potential and helping you make your dreams come true. But is it for you? Well, if you desire a life in health, wealth, and happiness, then YES. If you have the feeling that there's untapped resource hidden inside of you but lack the key to unlock it, then YES, and it's really that simple. This is what you will get. With the Master Key System, you will be discovering what the Truth is and how it will set yourself free. You will be developing your intuitive faculties and thus move via your mind to your heart. You will learn about your own power as well as your connection to the Infinite God, Zero Point Field, Universal Consciousness. You will learn how to align yourself with the abundance that Nature offers us all and that is available to us through the use of spiritual methods. You will learn how to concentrate, how to visualize, create new mental images, and how to control and relax both your thoughts and your body. You will learn how to reason inductively and therefore move from Belief to Knowledge. You will develop insight and sagacity. You will also learn how to imbue thoughts with feelings so that they can live, grow, and manifest for you. You will learn how to serve others so that others will serve you in return. Make no mistake, this is hard mental work, but those persevering enough will reap rewards impossible to express in words. Although the Master Key System was first published in 1916, it has lost nothing of its value. In fact, with a rapidly changing social, economic, and natural environment, everything today depends on how fit you are to adapt and adjust, and this is first and foremost a mental fitness. This Centenary Edition is different to all others on the market. Commemorating the 100th anniversary of the MKS in 2016, Helmar Rudolph took Charles F. Haanel's age-old wisdom and put it in a new format, added a fresh and easy-to-read layout, and enhanced it with his own explanations and commentary. It is an unabridged original version that is as beautiful to the eye as it is to the mind. For the first time ever, it makes the MKS available to anyone with an earnest desire in improving their life and controlling their circumstances. Please note: This material was previously made available only to a select few, and in ancient days only Initiates were allowed to study it for good reason. It is therefore advised you treat it with respect and reverence because what is taught there is the Master Key, the key to Universal Forces. Using the Master Key, you consciously co-create and assume powers previously unthought of. With high ideals and determined action, you lift Mankind onto higher planes of existence. So the knowledge is here for the taking, as well as all the support you may need. *The Master Key BrainCharger*
