Democracy and Education in Namibia and Beyond M. Amukugo, 2017-07-19 The Namibian constitution makes full provision for education as a fundamental human right and freedom Three years into independence as part of the governments educational policy the Education for All Policy was launched as a stepping stone to free quality education However inequities have become widely pronounced within the Namibian educational system Democracy and Education in Namibia and beyond debates the educationdemocracy nexus in Namibia and the southern African context It defines and explores the meaning of democracy and related concepts It also looks at what democracy means in the context of human rights and access to education The ten chapters in this collection interrogate the strengths and limitations of education as an instrument of social change and question whether or not the Namibian educational objectives and practices do develop and help to sustain a democratic culture in Namibia The authors in the collection have drawn material from their own teaching and research experience across the fields of education and social science in Namibia and beyond and present their findings in a pedagogical framework suitable as a challenging text for tertiary students At a time when education is in crisis especially in South Africa where strident calls for free tertiary education and Africanisation of the curriculum are spreading like wildfire this book gives scholarly insight into the history and social conditions that gave rise to our current predicament

International Practices to Promote Budget Literacy Harika Masud, Helene Pfeil, Sanjay Agarwal, Alfredo Gonzalez Briseno, 2017-08-09 Budget literacy is defined as the ability to read decipher and understand public budgets to enable and enhance meaningful citizen participation in the budget process It is comprised of two main parts i a technical understanding of public budgets including familiarity with government spending tax rates and public debt and ii the ability to engage in the budget process comprising of practical knowledge on day to day issues as well as an elementary understanding of the economic social and political implications of budget policies the stakeholders involved and when and how to provide inputs during the annual budget cycle Given that no international standards or guidelines have been established for budget literacy education to date this book seeks to address this gap by taking stock of illustrative initiatives promoting budget literacy for youth in selected countries The underlying presumption is that when supply side actors in the budget process governments simplify and disseminate budget information for demand side actors citizens this information will then be used by citizens to provide feedback on the budget However since citizens are often insufficiently informed about public budgets to constructively participate in budget processes one way to empower them and to remedy the problem of budget illiteracy is to provide budget literacy education in schools to youth helping them evolve into civic minded adults with the essential knowledge needed for analyzing their government s fiscal policy objectives and measures and the confidence and sense of social responsibility to participate in the oversight of public resources This book elaborates on approaches learning outcomes pedagogical strategies and assessment approaches for budget literacy education and presents lessons that are relevant for

the development improvement or scaling up of budget literacy initiatives Influence of Leadership Attributes of Head of Schools on Student Academic Performances Chelestino Mofuga,2020-08-25 Doctoral Thesis Dissertation from the year 2020 in the subject Leadership and Human Resources Management Styles language English abstract This study aimed to assess the influence and contribution of leadership attributes of the head of Tanzania secondary schools on the students academic performance with particular focus on schools in Mbulu District in the Manyara Region The study identified four specific objectives namely to assess the influence and contribution of integrity inspiration competencies on students academic performance and to specify criteria for appointment of head of schools The study employed an explanatory and cross sectional design in collecting quantitative data using questionnaires administered on selected school teachers and secondary data was collected from a review of pertinent documents and from the internet The findings indicate that there is a significant relationship between the leadership attributes of heads of school and students academic performance Hence the study concluded that the integrity competency and inspirational outlooks of heads of schools influence students academic performances Broadsheet of results 2012 Karas region Namibia. : Ministry of Education ; Directorate of National Examinations and Assessment,2012 *Broadsheet of results Oshikoto region 2012* Namibia Ministry of Education ; Directorate of National Examinations and Assessment,2012 **Broadsheets of results JSC (Grade 10)** Namibia.
