Nano House Innovations For Small Dwellings:

Nano House Phyllis Richardson, 2011 Presents 43 examples of designs for small scale less than 75m² houses set in a variety of contexts Using digital tools sustainable materials and prefabrication technologies these projects offer realistic solutions for houses where space is at a premium nature must be preserved or accommodation created for those who need it most

Nano House Phyllis Richardson, 2011 *Housing and Home Unbound* Nicole Cook, Aidan Davison, Louise Crabtree, 2016-05-05 Housing and Home Unbound pioneers understandings of housing and home as a meeting ground in which intensive practices materials and meanings tangle with extensive economic environmental and political worlds Cutting across disciplines the book opens up the conceptual and empirical study of housing and home by exploring the coproduction of the concrete and the abstract the intimate and the institutional the experiential and the collective Exploring diverse examples in Australia and New Zealand contributors address the interleaving of money and materials in the digital commodity of real estate the neoliberal invention of housing as a liquid asset and source of welfare provision and the bundling of car and home in housing markets The more than human relations of housing and home are articulated through the role of suburban nature in the making of Australian modernity the marketing of nature in waterfront urban renewal the role of domestic territory in subversive social movements such as Seasteading and Tiny Houses and the search for home comfort through low cost energy efficiency practices The transformative politics of housing and home are explored through the decolonizing of housing tenure the shaping of housing policy by urban social movements the lived importance of marginal spaces in Indigenous and other housing and the affective lessons of the ruin Beginning with the diverse elements gathered together in housing and home the text opens up the complex realities and possibilities of human dwelling

A Marriage of Philosophy and Music Erich Welling, 2014-04 How to use philosophy and music to open your horizons and enjoy being yourself put theory to work and help you experience personal growth is discussed in A Marriage of Philosophy and Music It is all about after After having a liberal education you are comfortable in modern culture and after further education and becoming a specialist in some field you enjoy using your skills We learn the ideas and methods of many social cultures and our own chosen specialty but we often neglect the liberal art of disciplining and enjoying the ideas and methods of our own individuality This book offers a path toward the education of privacy with the key words being selection design and beauty The book relates five areas of general human interest spirituality philosophy science art and body awareness The interrelation is accomplished by using personal patterns of experience that are available from philosophy and music Because of the plurality of subject matters and methods used in philosophy and music their patterns of discipline are comparable to self discipline A Marriage of Philosophy and Music attempts to create a path in this direction because besides the enjoyment of social culture and personal skills there is enjoyment in being yourself which is a neglected liberal art
