3. **Characters:** In the third paragraph, you should describe the people who were present during the memory. This could include friends, family, or any other significant figures.
4. **Events:** In the fourth paragraph, you should describe the events of the memory in detail. You should try to include as many sensory details as possible, such as sights, sounds, smells, and feelings.
5. **Reflection:** In the final paragraph, you should reflect on the memory and explain why it is so important to you. You can also talk about how the memory has shaped your life in some way, or how it has stayed with you over the years.
