Taxi Driver—The Ill Fated Lad Mr. Donny Churchill, 2017-04-05 This book is a real life story about the beauty of life when you have a wonderful income which ultimately gave me a glamorous lifestyle I had a lavished apartment on the Upper East Side of Manhattan where I was always entertaining my friends and their friends Sometimes my friends and I would use limousine just for the night out At the end of my company contract and after about another six months without income I sold my condominium at a reasonable price and relocated to Jersey City in New Jersey I lived in a spacious apartment for another five months without income then I decided to drive a yellow cab I went to TLC for my hack license to enable me to drive a taxi I registered with a taxi company in Brooklyn and I became a taxi driver Driving the taxi and continuing my job hunting at the same time was daunting With too many summonses from police officers and TLC inspectors within a period of about four years taxi driving my license was revoked No more taxi driving no more income And my life became too miserable
