

An abstract painting of a horse's head, rendered in warm, golden-yellow, brown, and blue tones. The style is expressive and textured, with visible brushstrokes. The horse's head is the central focus, with its eye and mane suggested by the colors and lines.

Beaucoup d'ouvrage ont été critiqués sur la ville la plus vieille au monde. Beaucoup trop peu, mais si je consens critiquer ce livre comme j'avais demandé tant de fois le grand homme qu'il fut, V. R. Bhadra Mishra d'une plume d'alien et d'un regard d'outsider, c'est au prix de laisser s'échapper de moi cette lumière qui accueille chacune de mes arrivées dans la ville sainte, travers les mots dont on ne soupçonne jamais suffisamment le potentiel. C'est ainsi que l'auteure diplômée de l'EHESS, école des Hautes études en Sciences Sociales de Paris, France, avec un Advanced Hindi Diploma de la BHU Banaras Hindu University et le Sanskrit Pr mana Patriya de la SSU Sampurnanand Sanskrit University de Varanasi, Inde, et membre d'un cercle de spécialistes en Ramayana, grande épopée et un des textes fondamentaux de la mythologie hindoue, commence son ouvrage sur la miniature indienne, blottie au pied du Gange, où chaque jour des milliers de pèlerins et simples croyants viennent de partout pour se purifier dans les eaux sacrées d'un fleuve immense, mais mal aimé. Cet ouvrage qui m'a donné une longue expérience de l'auteure sur le sol indien est composé de trois parties, plus des photos prises par l'auteure elle-même. La première partie donne quelques indications sur la ville sainte de Bénarès, la seconde s'adresse au fleuve sacré, le Gange, et ses problématiques, tandis que la troisième laisse libre cours aux ghats. La description des ghats, tout en gardant une note plutôt intimiste, dévoile le caractère de chaque ghat sur lequel elle s'arrête, dans le but de souligner l'importance vitale du fleuve dans le quotidien des habitants de Bénarès. Il a l'ambition d'une amoureuxse de la ville sainte et la vocation d'un plaidoyer pour le fleuve. A lot of work has been written about the oldest city in the world, too much perhaps, but if I consent to write this book as had asked me many times the great man Veer Bhadra Mishra with an alien pen and a look of outsider, it is at the cost of letting it escape from me the light that welcomes each of my arrivals in the Holy City through words whose potential is never sufficiently suspected. This is how the author, who graduated from the EHESS, École des Hautes Études en Sciences Sociales in Paris with an advanced diploma in Hindi from the BHU Banaras Hindu University and the Sanskrit Pr mana Patriya from the SSU Sampurnanand Sanskrit University in Varanasi, India, and who is a member of a circle of specialists in Ramayana, great epic and one of the fundamental texts of Hindu mythology, begins her work on the Indian miniature, nestled at the foot of the Ganges, where every day thousands of pilgrims and simple believers come from everywhere to purify themselves in the sacred waters of an immense but unloved river. This book, which emanates from the author's long experience on Indian soil, is composed of three parts, plus the photographs taken by the author herself. The first part gives some indications on the Holy City of Banaras. The second addresses the sacred river, the Ganges, and its problem, while the third gives free rein to the ghats.

The description of the ghats while keeping a rather intimate note reveals the character of each ghat on which it stops with the intention to emphasize the vital importance of the river in the daily life of the inhabitants of Banaras It has the ambition of a lover of the sacred city and the vocation of a plea for the river *Les Missions catholiques* ,1914 **Myth, Music and Ritual** Gabriela Chiciudean,Rodica Gabriela Chira,Emilia Ivancu,2018-12-14 Divided into two parts this volume includes contributions focused on both myth and some of its contemporary reflections Part I and the connection between myth music and ritual Part II The fifteen contributions gathered here are authored by academics and researchers from Brazil France Poland Mexico South Africa and Romania They focus on a variety of subjects including folklore literature classical and traditional music science fiction philosophy and religion among others The volume operates with an awareness of the capital role the study of the imaginary with all its implications is playing in the contemporary world Revue d'ethnographie et des traditions populaires Maurice Delafosse,1926 Contribution la bibliographie ethnographique de la Chine par Henri Cordier v 1 p 295 305 v 2 p 56 61 *La Sāṃkhyakārikā étudiée à la lumière de sa version chinoise* Junjirō Takakusu,1904 **"La" religion védique d'après les hymnes du Rig-Veda** Abel Bergaigne,1878 **LE CHEVAL EN EURASIE** ,1999-05-15 A travers l histoire de tous les peuples qui retiennent l attention scientifique des auteurs un certain nombre des rapports complexes de l homme l animal sont abord s Le Cheval appara t li au prestige des hommes qui l apprivoisent leur imaginaire le plus profond autant individuel que collectif leurs angoisses métaphysiques et religieuses De l ensemble des textes ici rassembl s c est peut être l inquiétante image de l animal intelligent li au monde mystérieux du divin qui ressort avec le plus de force *Elliott Monographs in the Romance Languages and Literatures* ,1914 Dictionnaire des antiquités grecques et romaines d'après les textes et les monuments ... Charles Victor Daremberg,1892 **Revue des études grecques** ,1911 Annuaire de l Association pour l encouragement des études grecques en France *Le musée belge* ,1929
